Addressing the Zoning Administrator

Any member of the public may speak on any item under review by the Zoning Administrator after “being recognized” by the Zoning Administrator. After the Zoning Administrator recognizes you, state your name and address. Generally, after the item is introduced, the order of presentation begins with staff introduction and presentation. The project applicant or their authorized representative may then comment. Next, interested members of the public may speak. Additional comments by the applicant or staff, as appropriate, may follow. At the close of testimony, the matter will return to the Zoning Administrator for discussion and action.

General Information

The Zoning Administrator usually holds hearings on the first and third Mondays of each month. Assistance will be provided to those requiring accommodations for disabilities in compliance with the Americans with Disabilities Act. Interested persons must request the accommodation at least two working days in advance of the meeting by contacting the Planning Division (510) 494-4440.

All documents submitted to Boards and Commissions will become public information.
