The public can view the City Council meetings on the City of Fremont's website at [www.Fremont.gov/Channel27](http://www.Fremont.gov/Channel27), which also provides a link to the live stream; or, on Comcast Channel 27. Please note at this time, Channel 27 is only available to Comcast cable subscribers. We encourage community members to take advantage of this virtual option whenever possible and limit their attendance in large gatherings. In addition, to provide input on a topic or agenda item, correspondence to City Council will be accepted until 10:30 a.m. of the day of the meeting by emailing [cclerk@fremont.gov](mailto:cclerk@fremont.gov). The emails will be distributed to the City Council uploaded to the City website before the meeting and will be considered part of the public record.

The City is also actively exploring other methods for virtual participation in City Council meetings.

We appreciate your understanding as we do our part to protect the health of Fremont community members and to slow the spread of COVID-19.
