## **Special Meeting – City Council Work Session on July 9 at 5:30 p.m. to Discuss Potential Sites to Locate a Housing Navigation Center**

The City of Fremont is holding a Special Meeting – City Council Work Session on Tuesday, July 9, 2019 at 5:30 p.m. for City staff to review the evaluation results of potential sites to locate a housing navigation center in Fremont. A housing navigation center is a facility that transitions those experiencing homelessness into permanent housing, stabilization, and self-sufficiency through coordinated services.

This Special Meeting-Work Session begins at 5:30 p.m. at Fremont City Hall, located at 3300 Capitol Ave. The regularly scheduled Fremont City Council meeting, which begins at 7 p.m., will follow the Special Meeting-Work Session. The Special Meeting-Work Session agenda has been published and can be accessed at [http://fremontcityca.igmp2.com/Citizens/Detail\\_Meeting.aspx?ID=1709](http://fremontcityca.igmp2.com/Citizens/Detail_Meeting.aspx?ID=1709). All Council meetings are available to watch live or rebroadcast via Channel 27, The Fremont Government Channel, or the City's website. Learn more at [www.Fremont.gov/Channel27](http://www.Fremont.gov/Channel27).

The July 9 Special Meeting-Work Session will serve as follow-up to the June 18 Special Meeting-Work Session where the City Council received an update on homelessness and provided direction to City staff to pursue finding a location for a housing navigation center in Fremont. Previous staff presentations to the City Council about homelessness included a City Council Study Session on April 17, 2018 and a regularly scheduled Council meeting on July 17, 2018.
