Third Date Added for Temporary Housing Navigation Center Community Workshops

The City of Fremont will host a third community workshop about the temporary Housing Navigation Center on Monday, August 26, from 5:00 – 8:00 p.m. at the Fremont Teen Center, 39770 Paseo Padre Parkway. The workshop will provide the public an additional opportunity to learn about Fremont’s temporary Housing Navigation Center and the role it plays in addressing the regional homeless crisis. Each of the three workshops will follow the same agenda and format and provide the same resources. The Fremont Teen Center has limited seating due to it being a smaller facility so community members are encouraged to attend one of the first two workshops, which will be held in a larger venue.

Schedule for Community Workshops

Wednesday, August 14, from 5:30 p.m. – 8:30 p.m., at Harbor Light Church, 4760 Thornton Ave.

Saturday, August 24, from 10:00 a.m. – 1:00 p.m., at Harbor Light Church, 4760 Thornton Ave.

Monday, August 26, from 5:00 p.m. – 8:00 p.m., at Fremont Teen Center, 39770 Paseo Padre Parkway

Walnut Avenue Bikeway Improvements Project

Construction is underway to improve the bike lanes, pedestrian crossings, and signalized intersections on Walnut Avenue between Mission Boulevard and Paseo Padre Parkway. The project will create a complete street that balances the safety and needs of all users on the roadway, and provides direct access to the Fremont BART Station in Downtown, Kaiser and Washington Hospitals, local government offices, and retail shopping centers.

Alameda County Transportation Commission (Alameda CTC) is providing the majority of funding for this project with \$5 million of voter-approved Measure BB funds.
