TEMPORARY MORATORIUM ON RESIDENTIAL EVICTIONS

On March 27, 2020, the Fremont City Council ratified an [Executive Order](#) establishing a temporary moratorium on evictions of residential tenants. This new Executive Order imposes regulations related to evictions from all residential rental units where the failure to pay rent is due to income loss resulting from the declared Coronavirus (COVID-19) public health crisis.

Key Features

- The Executive Order applies to all renters, including mobile home owners and mobile home renters.
- Landlords are prohibited from evicting their affected tenants for nonpayment of rent when the tenant demonstrates that the failure to pay rent is due to financial hardship caused by the COVID-19 crisis.
- Tenants seeking protection from eviction are required to notify their landlord the reasons why they are unable to pay rent and to demonstrate a connection to COVID-19.
- Tenants should provide notice with supporting documentation(s) to their landlords on or before the day rent is due of their potential inability to pay the rent because of COVID-19, but not later than five calendar days after the tenant is properly served with a Notice of Termination.
- The Order does not apply to tenants who are already delinquent or in default (default is a documented process) prior to the [Shelter in Place Order](#) issued by the Alameda County Health Officer.
- The Order does not allow for a rent waiver or rent forgiveness.
- The Order will remain in effect for six months following end of the declared emergency, but with the eviction moratorium ending 30 days after the expiration of declared emergency.

INCOME ELIGIBILITY CHART

Income Limits Adjusted by Household Size

Below is an income limit table based on household size. Please use this table as a guide to assist you in determining if you are income eligible for an apartment at the various complexes listed in this directory. For example, if the "Income Elig" states 50% of median income or below and you have a household size of 2, your annual household income **cannot** be more than \$52,200 per year to be eligible for a unit at that complex. However, we recommend that you contact the complex(es) directly to find out more about eligibility, the application procedure, and whether or not vacant units are available.

| HOUSEHOLD SIZE | 30% of Area Median Income (Extremely Low) | 50% of Area Median Income (Very Low) | 60% of Area Median Income (Low) | 80% of Area Median Income (Low) | Area Median Income* |
|----------------|---|--------------------------------------|---------------------------------|---------------------------------|---------------------|
| 1 | \$27,450 | \$45,700 | \$54,840 | \$73,100 | \$83,450 |
| 2 | \$31,350 | \$52,200 | \$62,640 | \$83,550 | \$95,350 |
| 3 | \$35,250 | \$58,750 | \$70,500 | \$94,000 | \$107,300 |
| 4 | \$39,150 | \$62,250 | \$78,300 | \$104,400 | \$119,200 |
| 5 | \$42,300 | \$70,500 | \$84,600 | \$112,800 | \$128,750 |
| 6 | \$45,450 | \$75,700 | \$90,840 | \$121,150 | \$138,250 |

*Due to adjustments by the Department of Housing and Urban Development (HUD), the income percentages will not correspond with Area Median Income figures.

RENT REVIEW PROGRAM

ATTENTION: IMPORTANT INFORMATION

On October 3, 2017, the Fremont City Council adopted the [Rent Review Ordinance](#), effective January 1, 2018. The ordinance covers all residential rental units in Fremont, including single-family homes. Rental units owned or operated by a government agency or subsidized by a government agency are no longer exempt from the ordinance. Here's some important information about the Rent Review Program:

1. Rents can only be raised once in any 12-month period.
2. As required by California Civil Code Section 827(b), a 30-day notice is required for rent increases up to 10%, and a 60-day notice is required for rent increases over 10%. Landlords are required to provide tenants with the Notice of Availability of Rent Review as required by Chapter 9.60 at the Fremont Municipal Code:

You are encouraged to contact the owner or manager of your rental unit whose name is _____ (landlord to insert the name of the Responsible Party) at _____ (landlord to insert email address and/or telephone number) to discuss this rent increase for your rental unit. In addition, if you have received notice of a rent increase of more than five percent (5%) in the last 12 months, you are also entitled to review by the City's Rent Review Board. To initiate the rent review process, you must request rent review by contacting the Rent Review Program at (510) 733-4945 or rentreview@fremont.gov within 15 days of the date of the notice of rent increase. Your Landlord will be notified of your request and you will be contacted by a housing professional to discuss the rent increase. Please note that petitioning for rent review does not guarantee a reduction in the rent increase. Under California Civil Code Section 1942.5, it is illegal for a Landlord to retaliate against a Tenant for lawfully exercising his or her legal rights.

3. Rent Increase Notice must be in writing, show the contact information of the landlord or responsible party, include the ordinance language about the availability of Rent Review, explain how to get a copy of the Rent Review Law, and personally delivered or mailed first class. If the increase is over 5%, provide an explanation of why the increase is needed.
4. If the Rent Increase Notice is valid, tenants have 15 days from the date contained on the notice (not when the notice was received) to file a request for rent review. Landlords are required to participate in the rent review process. Landlords or representative of the landlord are prohibited from retaliating against a tenant who files a request for rent review and may be cited for a violation of the Fremont Municipal Code if they retaliate.

For more information about the rent review process, please visit [Fremont.gov/Rent Review](http://Fremont.gov/Rent_Review) or contact the office at (510) 733-4945 or send an email to rentreview@fremont.gov.

TIPS ON APPLYING FOR BELOW MARKET RATE (BMR) HOUSING

Applying for below market rate (BMR), housing can sometimes be an overwhelming and complex process but not an impossible task.

Contact each housing development directly for application details. There may be fees to process applications. Credit, as well as criminal background checks, may also be conducted on each applicant. If you are applying as a one-person household, be sure to indicate you are the “head of household.” You may be rejected if you cannot pay the full security deposit, therefore be sure to have funds for your security deposit available.

The tips listed below may be helpful in seeking affordable rental housing:

1. Apply for an apartment **BEFORE** you have to move out from where you are presently living. Since there are waiting lists, it could take several years to reach the top of the list. Make copies of your application before submitting them.
2. Apply to many properties as possible. If you put “all your eggs in one basket” (as the saying goes), you might have to wait forever for your eggs to hatch. Increase your chances of getting an apartment by being on more than one waiting list.
3. Keep in contact every 4-6 months and inform the property manager/resident manager that you are still interested in living in that particular complex. Don’t “bug” them; just politely remind them that you are still interested and be sure to jot down the date and the name of the person you spoke with.
4. Notify the property manager/resident manager of any changes in your situation such as change of address, telephone number, financial, or living situation. Again, make a notation of the person you spoke with, date, and time.

Any decision about finding a place to live is complex. However, with time, research, and patience, the decision can be wisely made with minimal grief and aggravation.
