

# Frequently Asked Questions

## New Age-Friendly Center

### 1. Will the new center take the place of the current senior center?

The new center is not taking the place of the existing center at lake Elizabeth. It is in addition.

### 2. How will the two centers be different

The new center will be very similar to the existing senior center, however, different programming will be offered based on the population and interests of the residents in South Fremont. Both centers will operate under the Human Services Department and be treated equally.

### 3. Where will the new center be located?

The new center will be located next to 47003 Mission Falls Ct, Fremont CA 94539

### 4. Where will the new center be located?

The new center will be located next to 47003 Mission Falls Ct, Fremont CA 94539

### 5. Who will the new center serve?

The new center will be for all adults 55 and over in Fremont and the Tri-City.

### 6. Weren't the names for the center already submitted?

Names have been submitted and narrowed down to the list that is on the ballot. The final decision will be made after more of the public have had the opportunity to provide further input.
