

1. I-880 Bicycle and Pedestrian Overcrossing (North of Warren Avenue)

Route	Start	End	Miles
South Fremont	Auto Mall Parkway	Warren Avenue	N/A

**Project Description**

The Warm Springs Community plan shows two proposed bicycle and pedestrian bridge crossings shown below, a third bridge proposed is just south of Auto Mall Parkway.

- At Innovation Way and the BART station (in design phase).
- Between the Fremont Boulevard interchange and the Warren Avenue interchange, an I-880 and Landing Parkway overbridge that would provide a link to the Bay Trail via Kato Road to Fremont Boulevard. It would involve paving of an existing service road parallel to a waterway.
- Located south of Auto Mall Parkway connecting Hannover Place to Bunche Drive.

Cost Estimate	Planning Area
\$75,000,000	Baylands
