Tour of Carnales Unidos Reformando Adictos (CURA) Residential Facility

CURA, a residential treatment facility located at 37437 Glenmoor Drive, Fremont, CA 94536, received a total of \$204,403 to renovate the facility's kitchen. The project has been experiencing delays due to unanticipated regulatory issues and lack of interest from contractors. The project had gone out to bid twice. Only one bid was received and it was approximately \$200,000 over budget. Committee members had expressed interest in a site visit.

Staff had therefore contacted CURA staff and arranged for a tour of the facility. The site tour is scheduled for 3:00 p.m. on Friday, February 26th, 2016.
