6.2 FY 2021-2022 Community Development Block Grant (CDBG) Funding – Develop questions for applicant agencies

BACKGROUND: On March 11, 2021 staff received the following CDBG capital project proposal via ZoomGrants:

• Fremont Family Resource Center ADA Project, totaling $519,078
During the FY 2020-2022 CDBG Funding process, Bay Area Community Health (Tri-City Health Center at that time), was granted $137,000 for the Mowry III Clinic renovation.

Subsequently at the May 12, 2020 Council meeting, this amount was deferred to be considered during the FY 2021-2022 funding process.

Staff estimates there will be approximately $743,382 for funding.

As part of the proposal review process, staff and CAC independently read the proposals and developed questions to clarify proposal discrepancies or vague proposal responses.

Staff is currently developing questions and will present them as part of this agenda item. Staff and Committee members will revisit the proposals together at the meeting and develop additional questions as necessary. Staff is scheduled to pose questions to applicants by March 23, 2021. Agencies are scheduled to respond by March 26, 2021.

Recommendation: Review proposals with staff and develop questions for applicants.
