The HRC promotes, supports, and helps create a compassionate community environment where diversity is honored and respected, neighbors reach out and support each other, and the most vulnerable receive services; to allow all a high quality of life in a community where we live, learn, work, and play in peace and harmony.

9.1 Review Election Voting Process

**BACKGROUND:**

On May 17, 2021, the Commission requested staff to present options on a recommended process for breaking tie votes during future elections of the Vice Chairperson.

According to the National Conference of State Legislatures, 28 of 50 state legislatures resolve tied elections by using a random selection method, such as a coin flip or by drawing lots. Staff recommends using a random, neutral method to determine the winner of a tied election, including a coin flip to resolve ties involving two candidates, and drawing lots to resolve ties involving three or more candidates.

RECOMMENDATION: Approve a random selection method, as described above, to determine the winner of a tied election.

9.2 Review Legislative Priorities Process and Guidelines

BACKGROUND:

On May 17, 2021, staff provided the HRC with a summary of City’s legislative priorities process and guidelines. These documents were provided by Amanda Gallo, the City’s legislative liaison in the City Manager’s Office.

Based on the legislative calendar provided by the City Manager’s Office, staff proposes to add an agenda item to the January 2022 HRC meeting. At this meeting, the Commission would review preliminary legislative priorities and develop recommendations which would be provided to the City Manager’s Office for inclusion in the City Council’s legislative package.

Enclosure: 9.2.1 – Legislative Calendar

RECOMMENDATION: Receive staff report

10. NEW BUSINESS (Items on which the Commission has not yet had an agendized discussion or taken action)

10.1 Update on Homelessness and the City’s new Safe Parking Ordinance to create Host Sites

BACKGROUND:

On February 16, 2021, staff presented to City Council a three-prong “Safe Parking Strategy” that proposed (1) allowing safe parking at host sites, (2) meeting people where they are parked with managed street parking zones, and (3) developing a City-owned or leased safe parking site. Council directed staff
to immediately move forward with the first strategy to allow safe parking at host sites. An interdisciplinary team identified municipal code changes that would be necessary to create such a program.

In June, 2020, staff recommended an ordinance amending Fremont Municipal Code (FMC) Chapter 18.25 (Definitions) and Chapter 18.190 (Special Provisions Applying to Miscellaneous Uses) in order to define “safe parking site” in this context and to allow safe parking sites as an ancillary use at properties with permitted assembly uses, quasi-public facilities (operated by a private, nonprofit educational, religious, recreational, charitable or medical institution with the primary purpose of serving the general public), and public facilities. The City Council approved the ordinance on June 16, 2021.

Laurie Flores, Homeless Services Manager, will present on the Safe Parking Ordinance and provide an overview of staff’s research to date.

RECOMMENDATION: Receive presentation.

10.2 FY 20/21 Social Services Mid-Year Evaluation

BACKGROUND:

Mid-Year Grant Review. The Commission is tasked with providing recommendations to the City Council regarding social service needs and City funding support for non-profit social service agencies in the community. In 2019, the Human Relations Commission recommended (and Council approved) 15 agencies for three years of funding, assuming satisfactory performance and continued availability of funds. The current 2020-21 fiscal year is the second year of the three-year funding cycle.

Staff, together with Commissioners, recently completed mid-year performance evaluations for the programs. The review was comprised of three parts: a questionnaire completed by the agency, a virtual site visit, and a written evaluation completed by the staff. Commissioners generally attended at least one site visit as a way to become more familiar with individual agencies.

Mid-year evaluations were not scored numerically. Instead, staff provided specific recommendations for improvements for some of the programs, where appropriate. Staff has concluded that each of the 15 existing agencies has performing satisfactorily in FY 20/21.

Funding: Social service grants are primarily funded by General Funds along with some Federal Community Development Block Grant (CDBG) funds. At this time, Staff does not anticipate a need for any funding cuts to the social
service grants. Therefore, we are proposing that the Commission approve re-funding the 15 agencies at their FY 20/21 funding level for FY 21/22.

**RECOMMENDATIONS:** Recommend all fifteen current Social Service Grant agencies be re-funded for FY 2021/22 as recommended above.

**10.3 HRC Strategic Planning Retreat**

**BACKGROUND:** On May 17, 2021, the HRC selected Saturday, July 17th (in-person) and Monday, July 26th (Zoom) as dates for the HRC Strategic Planning Retreat.

The City has partnered with Robert Quintana Hopkins, a Senior Partner at Center for Strategic Facilitation, and Technology of Participation (TOPS) consultant, to facilitate the HRC’s Planning Retreat. Staff will discuss the logistics of the retreat and additional preparations carried out by Mr. Hopkins and staff.
The focus question for the Strategic Planning Retreat is:

How will Commissioners respectfully collaborate and strategically align their own interests and strengths with community needs and issues during FY 21/22 and FY22/23 in order to support and sustain Fremont’s (diverse / most vulnerable) community members and build resiliency in Fremont as we come out of the pandemic?

Retreat logistics for July 17th in-person session:

- Updated time frame: 9AM – 3PM
- Breakfast and lunch will be provided
- Safety precautions will be taken (masks, social distancing, sanitized areas, etc.)

RECOMMENDATION: Receive presentation.

10.4 Banking While Muslim

BACKGROUND:

On May 17, 2021, Commissioner Khan made a referral to staff to place an agenda item, with the title “Banking While Muslim,” on a future Commission agenda as an item of new business. The Referral was approved by the Commission as a whole.

Staff has carried out some initial research and provided the enclosure letter from members of Congress to U.S. Department of Treasury that defines “Banking while Muslim”.

9. **OLD BUSINESS**

9.1 **Review Election Rules**

On April 19, 2021, the Commission voted to direct staff to re-present the existing staff options at the May meeting and include a third option that would make the office of Vice-Chair a 1-year rotational position. Staff presented the proposed election rules and terms for the HRC Vice-Chairperson.

**Position: Vice-Chairperson.** Historically, the HRC office of Vice-Chair has been nominated by the Nominating Committee and voted on by the Commission in the same manner as the Chair. While Article II does not refer to the Vice-Chair position, historically, the HRC has limited Vice-Chairperson terms to two consecutive years, with the ability to serve as Vice-Chairperson after a 1-year break.

**Option 1:** The office of Vice-Chair will remain a nominated and elected position. This option would allow a commissioner to be nominated for Vice-Chairperson without term limits.

**Option 2:** The office of Vice-Chair will remain a nominated and elected position. This option would recommend term limits:

a) No Vice-Chairperson who has served terms comprising two consecutive years as Vice-Chairperson shall be qualified for further service in that office until they have a break in service in that office of at least one year.

b) Time spent in the office of Vice-Chairperson while serving less than a full term shall not be counted in computing consecutive years in any office.
**Option 3:** Adopt a rotational model for the position of Vice-Chairperson, where each Commissioner would serve as the Vice Chairperson for 1 year, with the order of selection based on two criteria:

a) Seniority of years served on the Commission, and

b) The purpose and goal of this option would be to provide all Commissioners with leadership opportunities. Thus, the order of selection would also prioritize Commissioners that had not previously served as Vice-Chair.

c) Time spent in the office of Vice-Chairperson while serving less than a full term shall not be counted in computing years in the office.

d) A Commissioner could decline the office, in which case the order of selection would proceed to the next Commissioner in the order.

Table 9.1.1 below illustrates how this model would be applied to calendar year 2022 based on the recommended criteria. Commissioner Dharmi, as the longest-serving Commissioner that has not served as Vice-Chair, would be selected first, followed by Commissioners Ramamurthi, Kludjian, Jr., and Gardner, in that order.

The City of Fremont's Human Relations Commission (HRC) strives to prevent discrimination and ensure that the rights of all individuals and groups in Fremont are protected under the law. The HRC promotes, supports, and helps create a compassionate community environment where diversity is honored and respected, neighbors reach out and support each other, and the most vulnerable receive services; to allow all a high quality of life in a community where we live, learn, work, and play in peace and harmony.

Updated January 22, 2018
PRIDE AND 4^TH OF JULY PARADE

The HRC, with the help of the community, have designed and entered floats in both the City of Fremont Fourth of July Parades and San Francisco Pride Parades.

In acknowledgment that members of the lesbian, gay, bisexual and transgender community greatly contribute to the prosperity and success of Fremont and enrich its diversity, the HRC has spearheaded a contingent of marchers in the San Francisco Gay Pride Parade. They have received an enthusiastic response from the thousands of parade goers, with many in the audience shouting, “Way to Go, Fremont!”

The Commission has also participated in Fremont’s annual Fourth of July Parade. Their previous floats were blanketed in rainbow City of Fremont banners, complimented by patriotic red white and blue adornments. Every year the HRC encourages community groups, City staff, and residents to participate in planning, decorating, and marching in the parades.
COMMUNITY CONNECTIONS

National Night Out

Every year the Commissioners participate in National Night Out. The event is held on August 1st and is celebrated through block parties and safe spaces where public safety agencies go out into neighborhoods to meet with community members. Pictured to the right is Commissioner Khan riding shot gun in a Fremont Fire Engine.

Make a Difference Day

Make a Difference Day, is a HRC sponsored event focused on “Celebrating Unity and Diversity through Community Service.” Commissioners have sought community and corporate sponsorship for this event and have raised thousands of dollars from local Fremont businesses. On this national day of volunteering, over 2,000 volunteers, donned Make a Difference Day t-shirts and participated in 87 projects, ranging from school and park clean-up to helping a senior homeowner with roof replacement, and donation collections for those experiencing homelessness.

In 2017, Newark projects were first incorporated into Make A Difference Day. It is the goal of the HRC to continue this and hopefully open the event for all of Tri-City to participate together. Make a Difference Day would not be possible without the energy, coordination, and dedication of Compassion Network, CityServe Ministries.
The City of Fremont funds an array of local non-profit agencies through Social Service grants funded by the general fund, Community Development Block Grant (CDBG) fund and Paratransit (Measure B) fund. Funding is provided on a three-year cycle. The Human Relations Commission (HRC) is responsible for reviewing and recommending funding of human services proposals to the City Council.

FREMONT SCORES IN 25TH PERCENTILE ON MUNICIPAL EQUALITY INDEX

Each year the Human Rights Campaign conducts a nationwide evaluation of over 500 jurisdictions, looking at local protections for LGBTQ persons. Utilizing 5 broad categories which include: non-discrimination laws, inclusiveness of city services, law enforcement (including hate crimes responses) and municipal leadership on equity and municipal employment policies.

With the support and leadership of the HRC, Fremont received yearly MEI scores that placed the city in the 25th percentile of all cities, for three years in a row. Most notably, Fremont obtained full points in the categories of Non-Discrimination Laws and Municipal Services, and bonus points for LGBTQ elected or appointed leaders. The full report can be viewed at https://www.hrc.org/resources/mei-2020-see-your-citys-score.
Throughout the years, the HRC has created many committees to commit more time and care to a variety of issues and topics that matter to Fremont’s diverse residents. Below is a list and description of these committees:

- **Emerging Leaders/Racial Equity** — determine next steps with Emerging Leaders concept and how to address community understanding of “racial equity”
- **Youth Advisory** — identify way to partner with youth in Fremont
- **Finding Common Ground Speaker Series** — informational series with the community to identify how the HRC can best support, sponsor, and coordinate the series
- **Municipal Equality Index (MEI)** — identify ways Fremont can improve its score
- **Statement & Municipal Code Update** — revise language of mission and code
- **Priorities** — prioritize/articulate issues relevant to HRC’s purview and forward to Council

Commissioners served as liaisons and made goodwill visits to fellow boards and commission such as the Fremont Family Resource Center’s Community Advisory & Engagement Board (CAEB) and the Union City HRC, to build a stronger connection and partnership.

We also monitor school issues and have worked collaboratively with the Senior Citizens Commission.

Commissioners have also served as judges in community events such as the annual Children’s Art Competition and Exhibition in honor of National Children’s Mental Health Awareness Day.
The Finding Common Ground series started in 2017, through a partnership between the Fremont Library, HRC, and Compassionate Fremont. The aim of this series is to foster community engagements and celebrate Fremont's rich diversity and cooperative spirit. Each quarter, Finding Common Ground hosts panelists to speak on social topics which included: Homelessness - Causes and Solutions, Breaking the Cycle of Hunger, Fremont United Against Hate, and Immigration: Meet Your Neighbor.

Commissioners organized the event series and participated as subject matter experts on a variety of social topics.
In 2015, HRC began the Emerging Racial Equity Leaders Group. Eleven individuals were selected as the first cohort. In the process of getting to know one another and understanding different perspectives on racial equity in Fremont, one topic that arose was the perception of law enforcement within the community. On May 2nd and 16th, a dialogue was facilitated between the Emerging Leaders and Fremont Police Department. The dialogue focused on relationship building and implicit bias awareness. The recommendations from the dialogue include: develop common language to discuss diversity and equity issues, enhance communication skills before engaging in dialogue, allocate more time for dialogue. The dialogue was made possible with a grant from the East Bay Community Foundation, and was facilitated by CircleUp. The HRC continues to work to better understanding the local climate of equity through the perspectives of diverse Emerging Leaders.

Good morning, teammates! Here is your official invite to participate in National Night Out. I hope you or some members of your team can make it. It’s a really fun, positive event.

Kim

Good Morning CLT

National Night Out is a nationwide, annual event designed to strengthen neighborhood spirit and raise crime prevention awareness. We like to acknowledge the neighborhood efforts by visiting their National Night Out celebrations. This is also an opportunity to meet residents and talk about your role as City Leadership. You will be assigned to a team of two or three and each team will visit two to three parties. This year's event is on Tuesday, August 3, 2021 starting with briefing from 6:00 p.m. – 6:45 p.m. in the Police Range Training Room and then on to visiting parties from 7:00 p.m. – 9:00 p.m. It is important to attend the briefing to get your team assignment and find out which parties your team will be visiting.

If you are interested in participating in this year’s festivities, please sign up at the below link: [http://www.fremontpolice.org/NNOvolunteer](http://www.fremontpolice.org/NNOvolunteer)

The Honorable Kenneth A. Blanco
Director

1500 Pennsylvania Avenue N.W.
Washington, D.C. 20220

Dear Secretary Mnuchin, Secretary Fields, Chairman McWilliams, and Director Blanco:

We write to draw your attention to the difficulties of “banking while Muslim” and urge you to work towards modernizing current anti-money laundering/financial crimes compliance (AML/FCC) obligations. The COVID-19 pandemic has highlighted the importance of charitable organizations and the necessity of accessible banking. However, in recent years, countless Muslim individuals, businesses, and charities have been victims of discriminatory policies and practices that limit their access to financial services.¹ We ask for your support in helping to address this problem.

As you know, in the wake of the September 11, 2001 terrorist attacks, AML/FCC obligations were created to protect against illicit financial activities and actors. New rules defined through the USA PATRIOT Act and other measures to strengthen the Bank Secrecy Act (BSA) have forced institutions to exclude participants from the financial system. These regulations have caused banks to “de-risk,” shutting out individuals and organizations perceived to be too expensive to maintain AML/FCC compliance. As a result, many Muslim and Arab Americans, simply because of their connections, real or perceived, to Muslim and Arab countries, have been automatically labeled high-risk and are therefore unable to maintain access to financial services.

One recent example of an organization unfairly targeted by big banks is LaunchGood, a crowdfunding platform focused on serving the Muslim community. Despite internal policies that demonstrate their commitment and practice to comprehensive compliance and due diligence efforts, LaunchGood has been, and is being, shut out by multiple financial services providers. Most recently, the organization was warned by WePay and its financial partner, Chase Bank, that they would be losing their services and engagement ceased because they have perceived LaunchGood to be a high-risk organization. LaunchGood is a widely respected crowd funding platform, with tens of millions of dollars in transactions a year – driven by American donors looking to support legitimate causes. If this type of consistent banking discrimination can happen to them, what chance is there for smaller charities and nonprofit organizations, particularly those that are Muslim-affiliated?

In addition to encouraging ethnic and religious discrimination, the current application of AML/FCC regulations risks weakening our broader national security and humanitarian objectives. U.S.-based charities, crowd-funding platforms, non-governmental organizations (NGOs), and non-profit organizations (NPOs) provide vital assistance to worthy causes, both here in the U.S. and globally. According to the 2009 UN Counter-Terrorism Implementation Task Force Report, NGOs also play a crucial role in fighting conditions conducive to terrorism and reducing the appeal of terrorism by building social structures and increasing inter-community dialogue and understanding. ² When charitable organizations do not have adequate financial access, they are forced to conduct transactions in unregulated channels, thereby decreasing transparency and undermining the intended national security goals of AML/FCC regulations.

A risk-based approach can be applied to AML/FCC regulations in order to modernize compliance systems to address these issues, and we encourage you to honor the guidance that has already been put forth by the U.S. Department of the Treasury, the Financial Action Task Force (FATF), and others. For example, as emphasized in the Treasury Department’s National Terrorist Financing Risk Assessment, “the U.S. government does not view the charitable sector as a whole as presenting a uniform or unacceptably high risk be being used or exploited for money laundering, terrorist financing, or sanctions violations.” ³ In fact, organizations that make efforts to ensure transparency and demonstrate a comprehensive risk-based approach to combatting the financing of terrorism can be viewed as less risky and should not continue to be

de-risked by banks. While the intention of current regulations may be to ensure institution-specific and overall financial system security, such efforts should not lead to the denial of secure and sustainable financial sector engagement for otherwise legitimate and well-intentioned actors in the financial community.

Banking as a charity/nonprofit and “banking while Muslim” are not crimes and must stop being treated as such. As elected officials, it is our responsibility to amplify the voices of those who feel powerless in the face of big banks and regulators. We are therefore advocating for a more inclusive financial system, and we reject the notion that there is a binary choice between creating financial inclusion and protecting our financial system from abuse by illicit actors. These are, in fact, complementary goals. We urge you to take seriously the guidance of the U.S. Treasury and other groups by undertaking a more holistic application of the risk-based approach of AML/FCC regulations.

Additionally, we request that you provide us with answers to the following questions:

Beyond the U.S. Treasury Department’s most recently released guidance, how will you create explicit guidance to financial services providers regarding NPO/charity clients that:

1. Explicitly informs them that terrorist financing risk in the sector is the *exception* and not the norm to be applied across the board?
2. Assures banks that the IRS form 990, or "Return of Organization Exempt From Income Tax," provides explicit and valuable information that demonstrates evidence of legitimacy?
3. Helps ensure financial services providers engaging the charitable sector are not automatically assessed as carrying undue risk—especially when those charities themselves demonstrate a comprehensive approach to such risks and provide transparency of their operations?
4. Clearly communicates to financial institutions that discrimination of any sort will not be tolerated, and where such services are denied, that they have done so in a uniform way without singling out the charitable sector or Muslim-affiliated organizations?

The holy month of Ramadan begins this week. As Muslims around the world embark on this season of charitable giving, and as the urgent need for humanitarian aid continues amid the coronavirus pandemic, it is imperative that we address the issue of banking discrimination. Thank you for your attention to this matter, and we look forward to your response.

Sincerely,
