

Event Calendar Policy

The City of Fremont provides a listing of events in Fremont as a service to its customers. This list is not an exhaustive list of all events in Fremont. The City may list events that meet one of the following criteria:

1. City events (e.g. Board and Commission meetings)
2. Events the City sponsors
3. Relevant meetings of any non-City government agency
4. Events open to the general public for which the City approves a special events permit and/or approves the use of public rights-of-way or City property

The City also provides links to event listings at FremontOnline (consistent with the City's Link Policy for organizations that receive a sponsorship from with the City of Fremont,), and the Gary Soren Smith Center at Ohlone College (consistent with the City's Link Policy for government agencies).

For more information on this policy, please contact: Cheryl Golden, cgolden@fremont.gov or (510) 284-4025.
