CITY OF Fremont

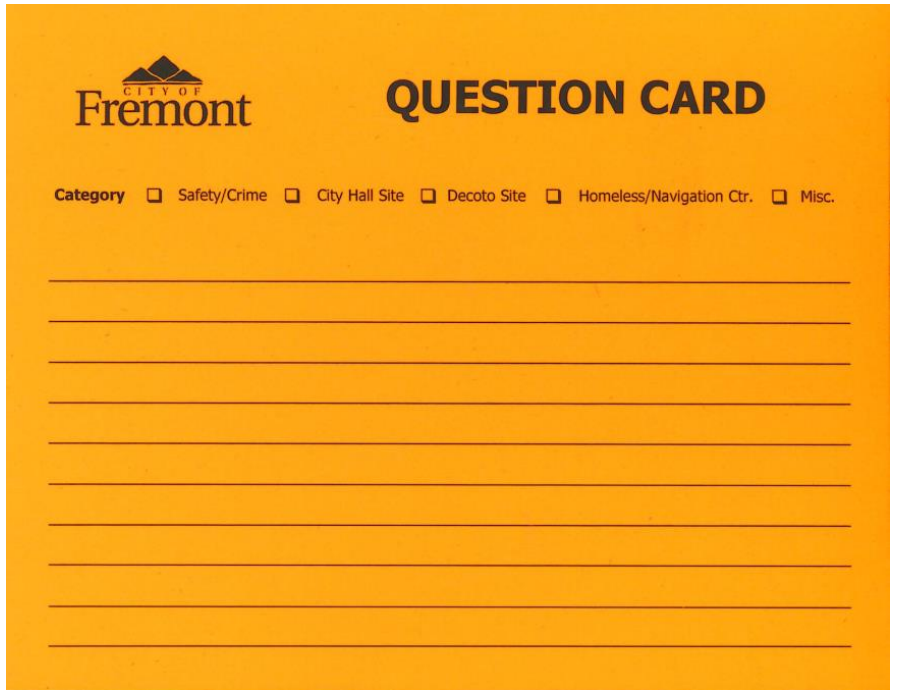
Housing First Model

- Current best practice and most effective approach to ending chronic homelessness
- Moves people directly from the street into affordable housing
- Provides supportive services to keep people housed and avoid return to homelessness

Bay Area Community Services

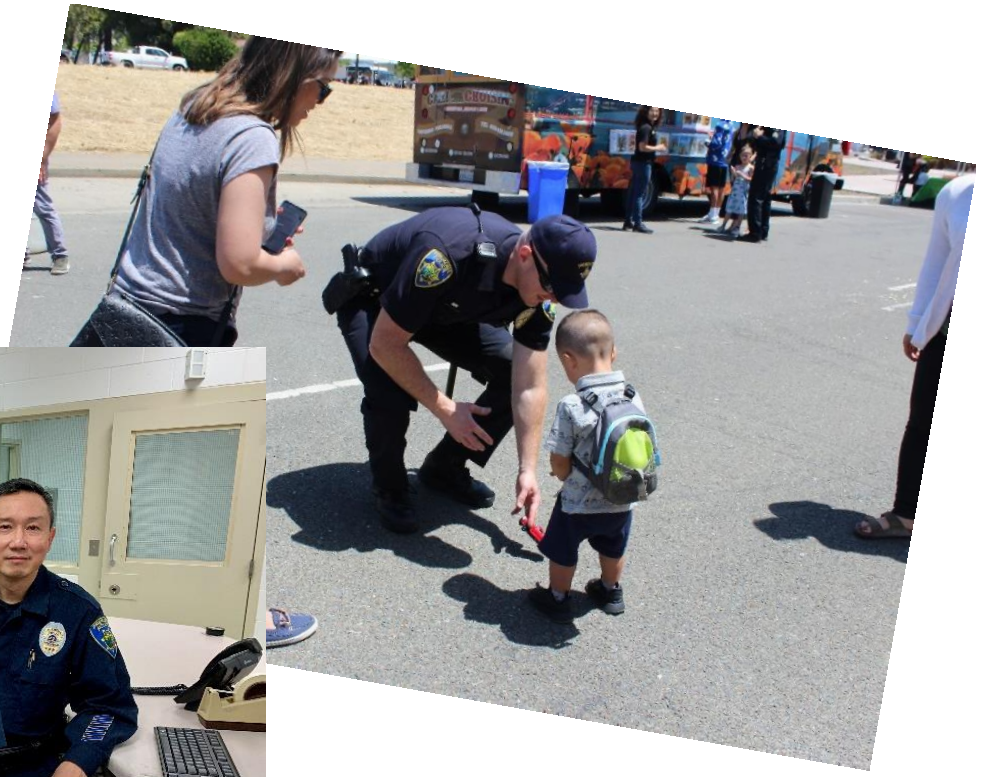
Collecting Question Cards

Staff will walk down each aisle to collect question cards for tonight's Q&A with City Staff.



Fremont

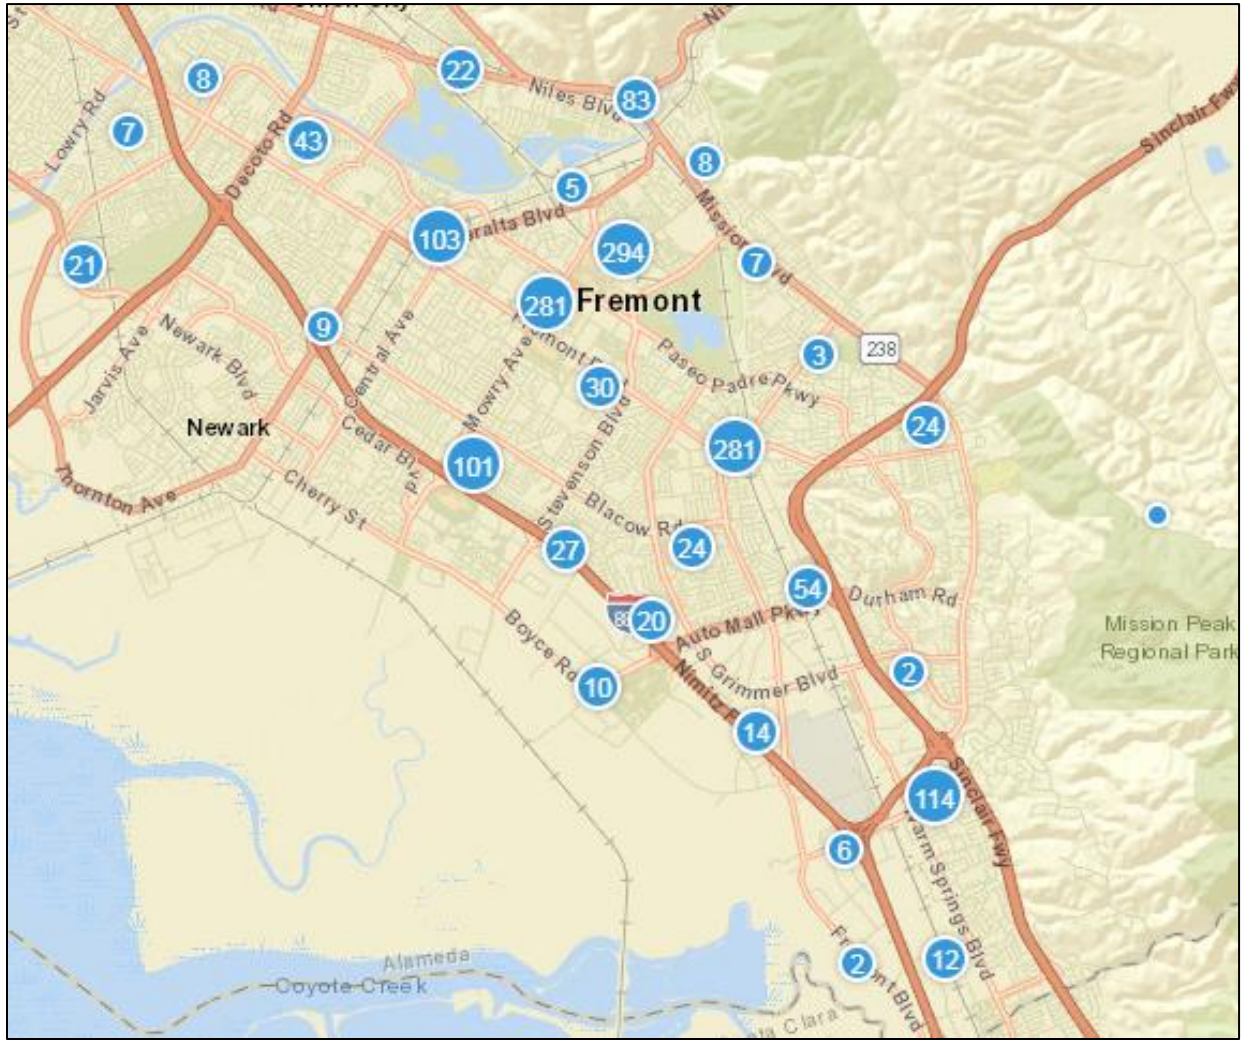
Public Safety Perspective



Homelessness in Our Community

- **How is homelessness impacting crime and safety?**
  - Calls for service involving homelessness is approx. 10%
  - Reduces availability for other calls/tasks

Disturbance Calls Involving Homeless



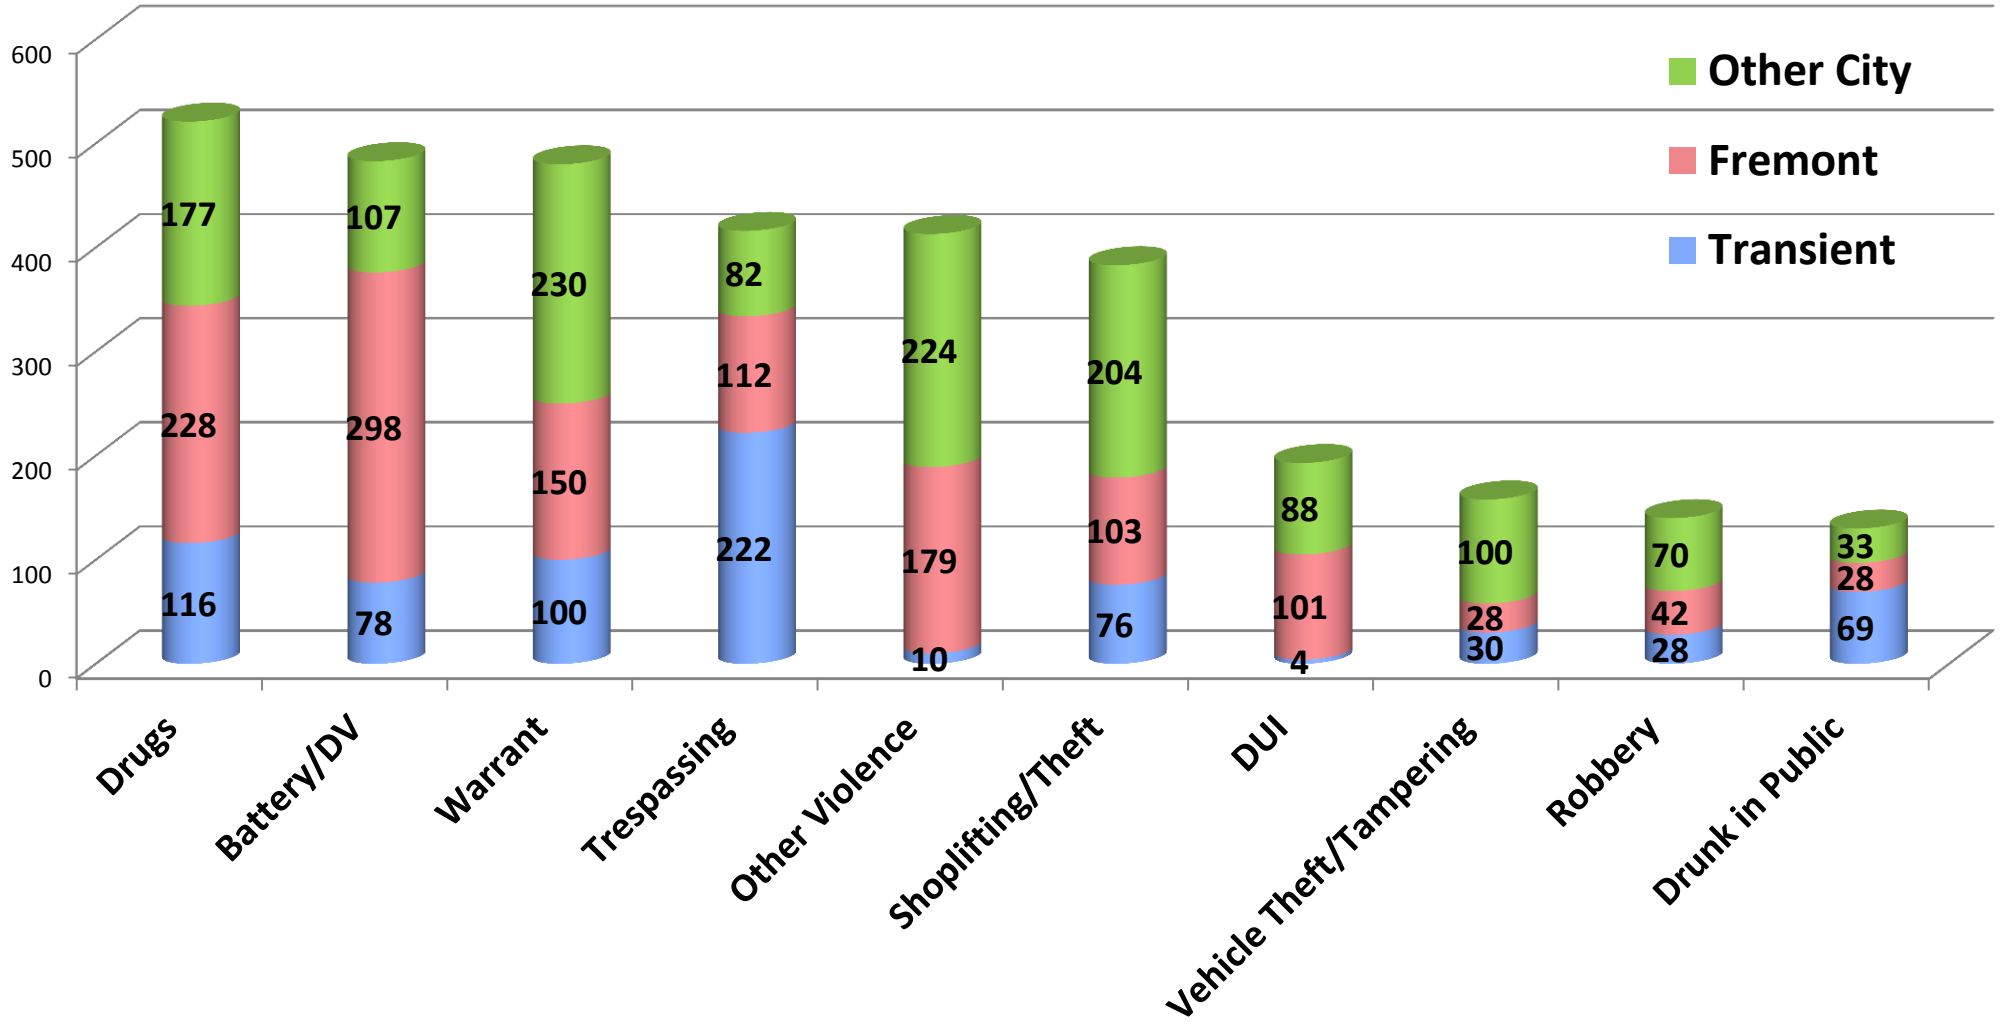
- Concentration of calls
  - January 1 through June 30, 2019
- Total calls: 1,617
- Call type created in August 2018

Crime Stats: Homeless vs. Non-Homeless

- Homeless tend to commit more crimes related to street survival
- What does our data show?

People experiencing homelessness are often victims of crime at a higher proportion than the general population

2018 Top 10 Crime Types with Highest ID Rates



CITY OF Fremont

*** Disclaimer**: The 10 crime types displayed are those which have the most accurate and available residency arrest data. They do no necessarily represent the top 10 crimes in Fremont.

Navigation Center Research

- **Berkeley Police Experience**
  - No rise in crime in surrounding areas
  - Has reduced encampment in immediate area
  - 29 calls for police service in one year
- **Navigation Centers are proving to be an effective strategy**
  - 24/7 supervision
  - Resources aimed at helping residents
  - Do not appear to decrease public safety

Existing Shelters and Resources in Fremont

- **Researched our own experience with shelter in Fremont's south end**
  - About one (1) call per week
  - Types of calls
    - Primarily altercations/disputes with other residents

CITY OF Fremont

Will the HNC draw more homeless?

- **Not a drop-in acceptance model**
- **Multiple other HNC's throughout Bay Area**
- **Berkeley's experience**
- **Our own experience**

What's Ahead?

- **Residents of these centers are already here!**
- **Navigation Center is an important part of our multi-pronged strategy to combat homelessness**

CITY OF Fremont

End of Police Department Slides

Community Input Received - Concerns

- Public Safety
  - Criminal activity, drug use, loitering, safety of neighborhood children and residents
- Attract additional homeless
- Property values decreasing
- Trash and debris gathering around the site

Community Input Received - Opportunities

- Reduce the number of unsheltered homeless in Fremont
- Reduce the number of encampments in Fremont
- More accessible health and social services for the homeless
- Provide permanent and stable housing
- Increase safety of the homeless
