

WHAT YOU NEED TO KNOW To Prepare for Camp....

COVID-19 WAIVER FORM

In order to reduce physical contact, this form was a required part of the online registration process.

EMERGENCY FORM

In order to reduce physical contact, this form was a required part of the online registration process. If you should have any updates to your emergency information, please inform staff immediately.

ALLERGIES AND OTHER INFORMATION

Understanding a child's background and special needs helps staff provide the best program experience for all participants, including your child. If you didn't list these at check out, please inform staff immediately.

PHOTO RELEASE

The Recreation Services Division may take and use photos/videos of participants for publicity and marketing purposes. Photos/videos of participants are used in the City's Recreation Guide, the City website, Social Media, and other City media publications. This was a part of the registration process online.

SUNSCREEN

Don't forget to bring sunscreen and apply it to your child before coming to camp! It is the responsibility of the parent/guardian to provide sunscreen every day of camp. Our staff will remind campers to reapply sunscreen throughout the day as needed. If needed, our staff will assist campers in the application of spray-on sunscreen.

WHAT YOU NEED TO KNOW To Prepare for Camp....

LUNCHES AND SNACKS

Campers must bring a lunch, two snacks and water bottle if enrolled in a full-day camp. Please bring food that does not require refrigeration or warming. Staff recommends storing items in a backpack labeled with camper's name that will then be stored in a clear bag provided by camp staff. Camp staff will have the camper place their lunch in the clear bag, like a large trash bag, seal it by tying a knot and store away safely. Only disposable eating utensils and dishes may be used.

WHAT TO WEAR

Campers must wear closed-toed shoes and comfortable clothing daily; sun shirts, shorts, and hats are recommended for hot sunny days. On swim or water days, flip-flops or sandals may be packed and worn only at the pool or during water play.

ELECTRONIC DEVICES

Electronic devices are not allowed at camp. The City is not responsible for lost or stolen items.

LOST AND FOUND

The City is not responsible for lost items. Please be sure to make sure your child has all items at pick up.

REGISTRATION INFORMATION

Registration is available online at www.RegeRec.com. For questions, staff is available by email and phone. Contact the registration desk at RegeRec@fremont.gov or call (510) 494-4300. Office hours are Monday-Friday 8:30am-5:00pm.

WHAT TO EXPECT ONCE You Arrive at Camp

MASKS

Staff, parents, and camp participants must wear mask to enter the facility, wait in line, sign their child into camp, or around others; entry/service may be refused if not following proper face covering protocols. Per ACPHD guidelines, camp participants are required to wear face coverings.

HEALTH SCREENING

All staff and participants must conduct a health screening prior to arriving on site, and a secondary screening will be conducted during check-in. Upon arrival, the check-in area will be marked to indicate 6 feet of separation between every participant/parent. Health screenings will include temperature checks with a non-contact thermometer. Participants must not have a temperature of 100.4° or higher and will be asked to confirm that they do not have any symptoms that the CDC has indicated are symptoms of COVID-19. If a participant has a temperature of 100.4°F or higher there will be an allowable grace period (up to ten minutes) where the camper can wait with their parent/guardian in a designated waiting area away from others checking in for camp, while they wait to take their second temperature test. If after the second test, they still test 100.4°F or higher, the camper will need to leave the area immediately for the remainder of the day.

DAILY CHECK IN/OUT PROCEDURES

A parent/guardian or other adult listed on the Emergency Form must sign their child in and out each day. All adults must be prepared to show staff a photo ID before staff will release the camper to them. Upon arrival, camp participants must receive a health screening, which includes taking their temperature with a non-contact thermometer.

WEEKLY SCHEDULES/DAILY ANNOUNCEMENTS

Schedules will be posted at camp at the check-in site.

WHAT TO EXPECT ONCE You Arrive at Camp

WASHING HANDS

Staff & campers will wash hands upon arrival for a minimum of 20 seconds. Campers will wash hands at the transition of each activity and/or every 45 minutes. Staff will have hand sanitizer available at all times.

CLEANING, DISINFECTING, SANITIZING

Each camp space will be routinely cleaned, sanitized, and disinfected. See appendix C for cleaning/sanitizing/disinfecting routine schedule in the COVID-19 Safety Plan – Summer Camps.

LATE PICK-UP POLICY

Your child will need to be picked up promptly at the end of the scheduled camp time. Parents/guardians will be charged \$20.00 for the first five minutes or fraction there of if you are late (Example: 8 minutes late- \$30.00, 21 minutes late- \$50.00). Late fees are due at the Recreation Office (3300 Capitol Ave., Bldg. B) the day after your child is picked up late. All late fees must be paid the next day; if not, your child cannot return to camp.

EMERGENCY PROCEDURES

In the event of a natural disaster, staff will evacuate participants to a designated area nearby. A note will be left on the building to inform you of the specific location.

We aim to provide inspiring, fun, active, and hands-on learning environments. We hope to see all participants treating one another in a fair, kind, respectable, and safe manner. If we see behavior or actions that do not fall within these guidelines, we will speak to the child. If a child is consistently having trouble following the rules and interacting in a positive way with their peers and staff, we will be sure to speak with the parent/guardian to review what occurred so that we can work together to avoid further issues. In the unlikely case that we cannot work out a solution and/or do not see improvement, we will ask that the participant not continue.
