PROJECT:

\_\_\_\_\_

Approval of this NOTICE OF INTENT is contingent upon the owner and contractor/designer agreeing to the following:

- 1. Plans shall be submitted and plan check fees shall be paid prior to this approval.
2. Automatic Fire Extinguishing Systems shall include all piping, equipment, and devices in a system designed to detect a fire and/or discharge an extinguishing agent into the subject space.
3. No inspection shall be requested nor authorized until after a permit has been issued.
4. Owner assumes responsibility for the installation and shall make all changes necessary to conform with the City of Fremont codes and ordinances, and the final approved plans.
5. The installation of any material which will cover, conceal or interfere with framing members, authorized electrical, plumbing, or mechanical systems will result in a) the revocation of this approval; b) the issuance of a stop work order, and; c) a special investigation with special investigation fees required under the provisions of Section 108.4 of the California Building Code.
