

GENERAL INFORMATION

What type of COVID test is it?

Anterior nares nasal swab, a sample collected from the nostrils. We do a swab sample that does not go deep in the nose.

For more details about the test: <https://www.color.com/covid19-details> or call 844-352-6567

Who can take the test and how much is the test?

Anyone who is 13 years and older can take the test. Those between 13-17 should be accompanied by an adult. You do not need medical insurance to get tested and you will not be asked about your immigration status. You do not need to have a doctor's note or have symptoms. Testing is **free** of charge.

Do I need an appointment?

Yes, all tests must be scheduled. You can make an appointment by visiting <https://www.color.com/ahs>.

If you **DO NOT** have access to the Internet or need translation services, you can call our **AHS's COVID Helpline at: 510-735-3222**.

What do I need to bring with me?

Photo ID, such as CA State ID, driver's license, or passport

How and when will I get result?

You will get your test results within 1-3 days. You will receive a text message and/or email when the results are ready. You can also access your results online at www.color.com/covid-test with your barcode and date of birth.

What if I do not have my barcode or have no cell phone or email?

You can call the **AHS COVID Helpline at 510-735-3222** for someone to help you retrieve your results. You will need to provide your full name, date of birth, the date that you completed your COVID-Test, and barcode (if you have it).
