

# Fremont Climate Action Workshop #1

## Summary of Live Polling Results

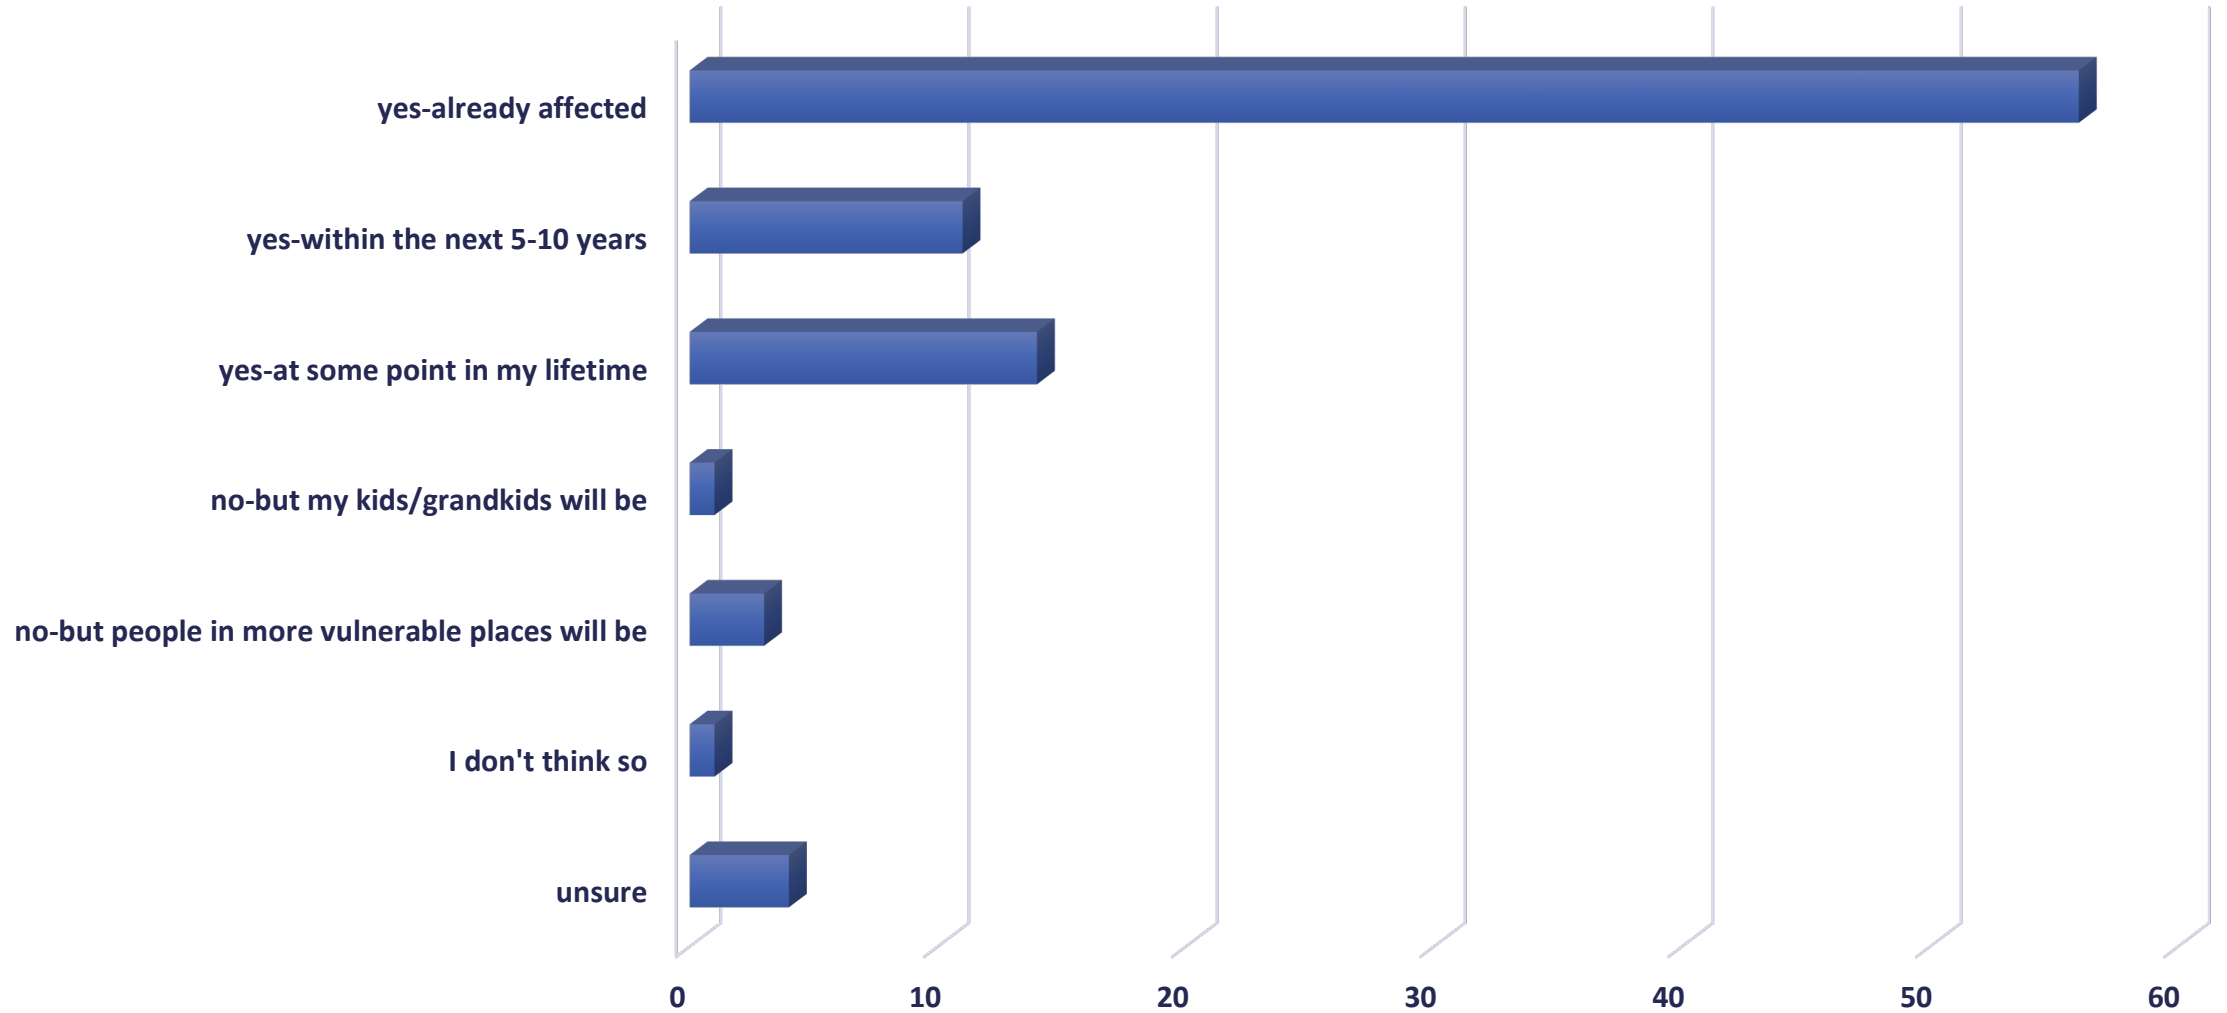

September 22, 2020

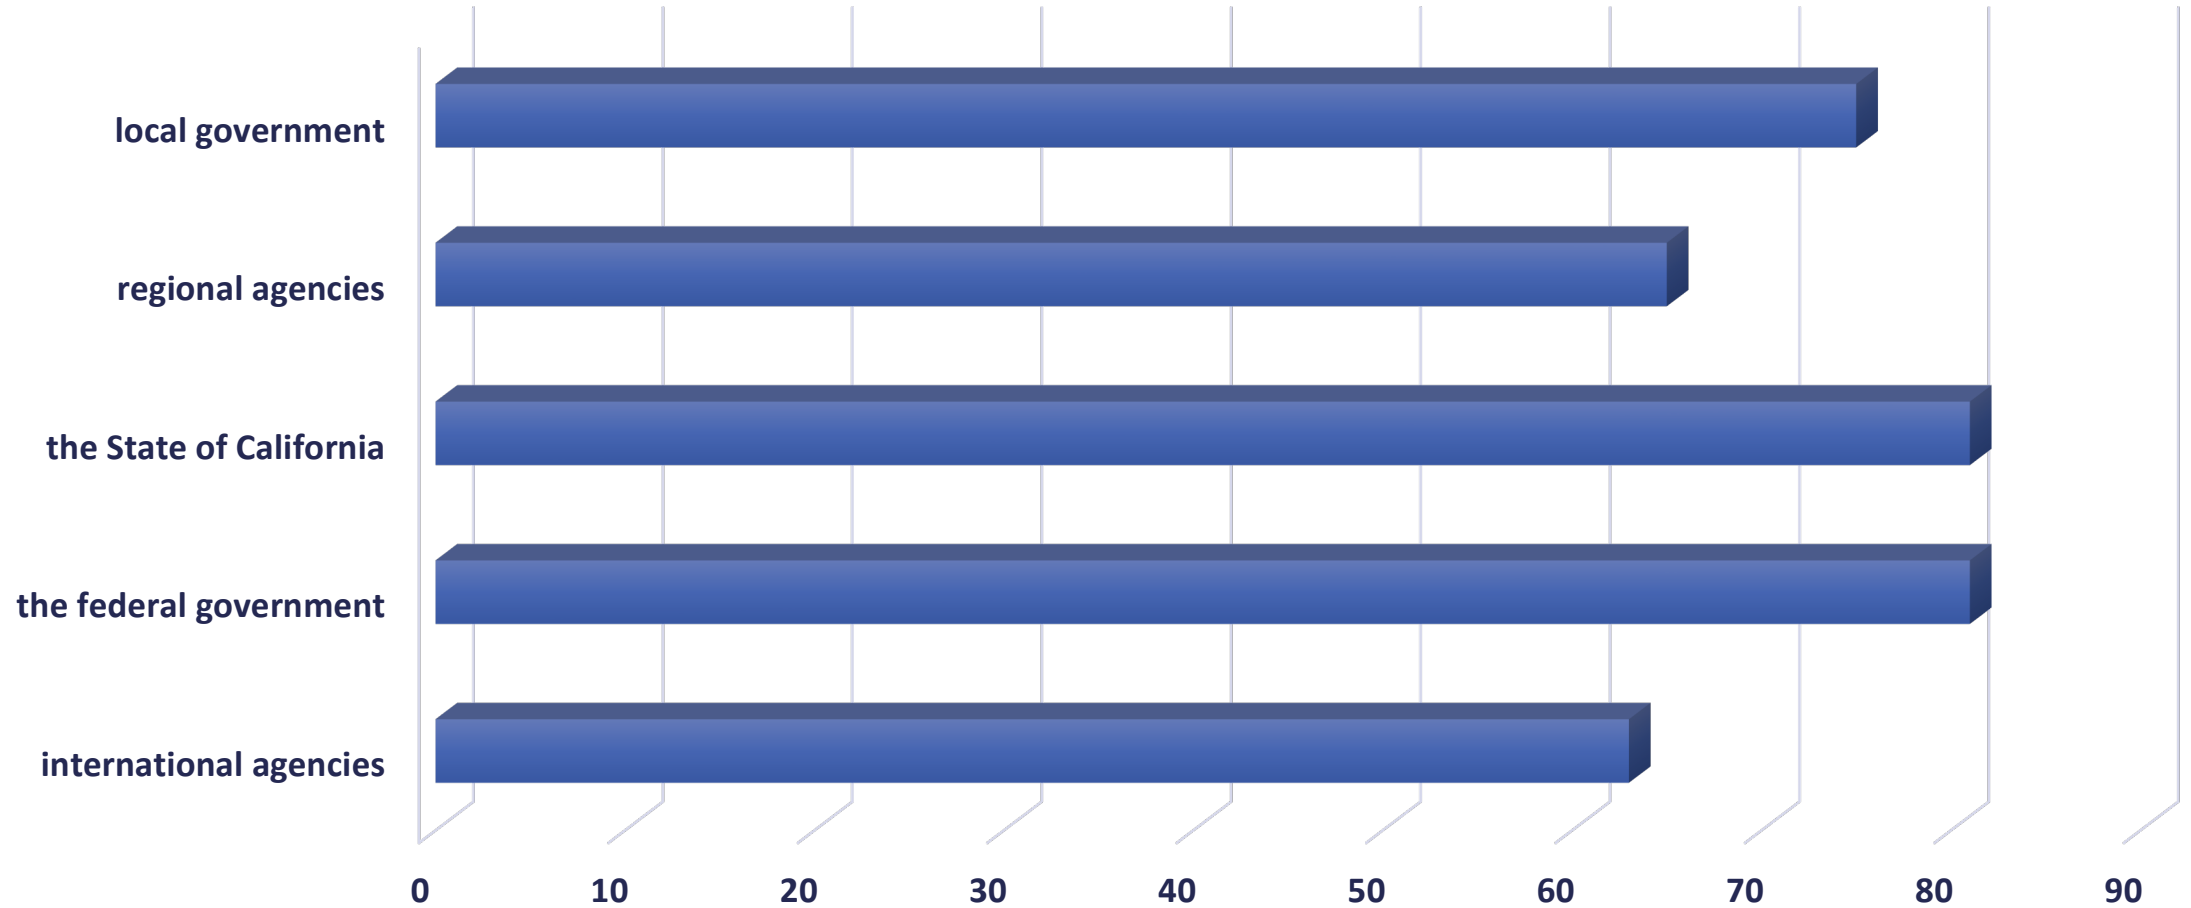

## In terms of climate programs and initiatives in Fremont, I am currently \_\_\_\_\_.

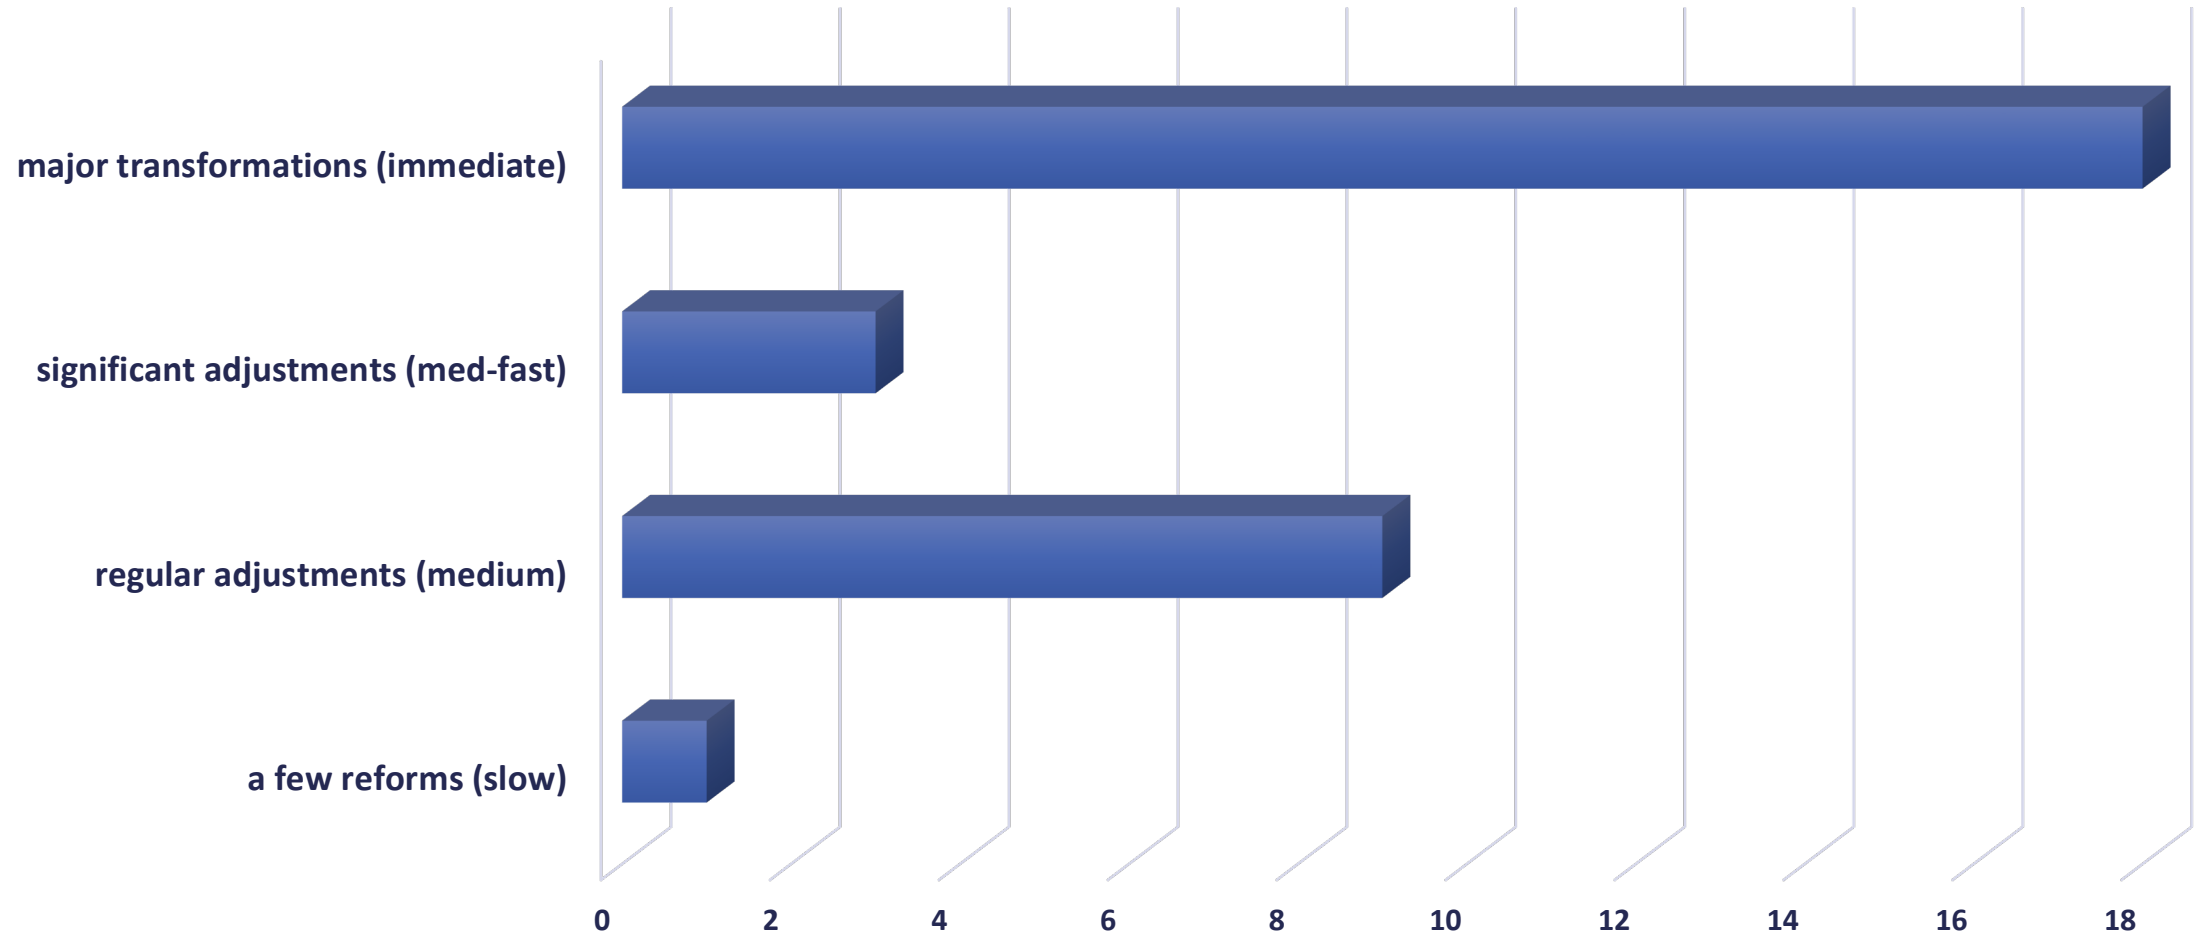

# I believe I will be personally impacted by climate change.

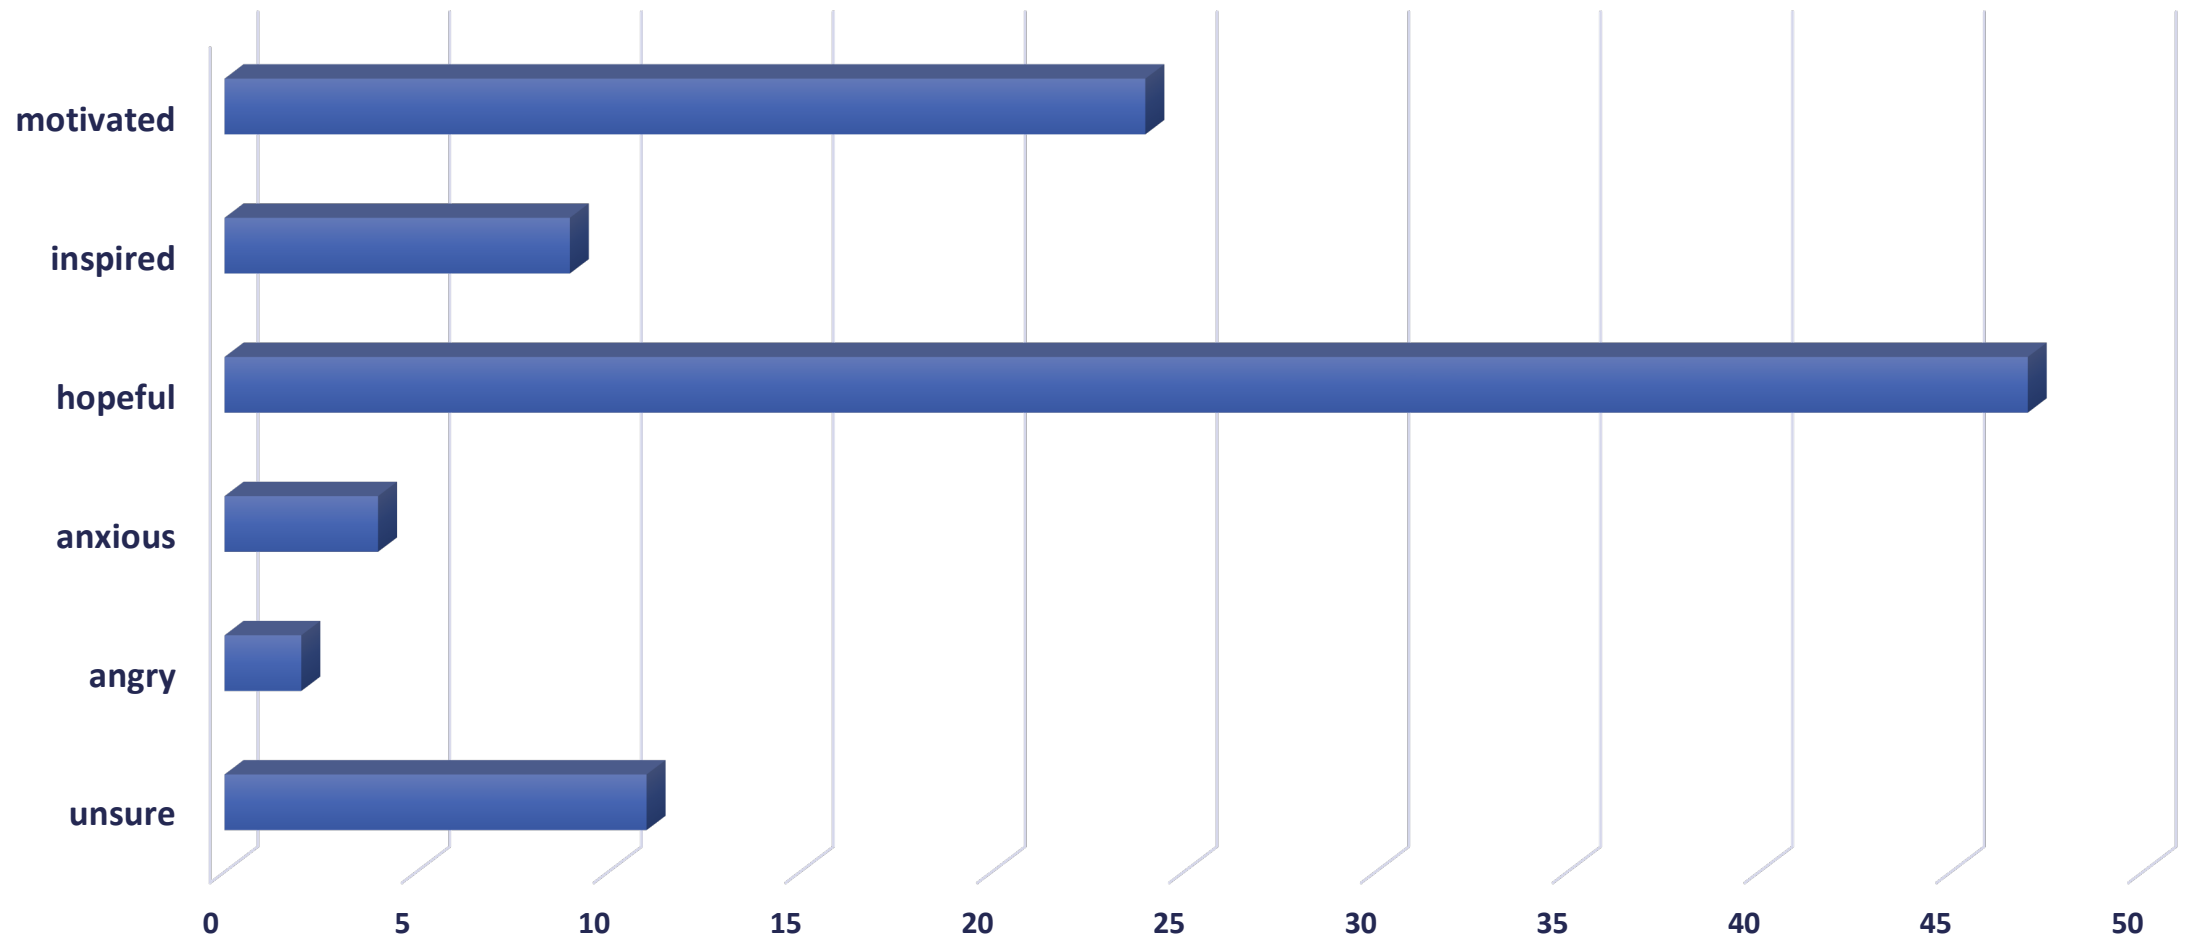

## I believe the following agencies should be responsible for addressing climate change:

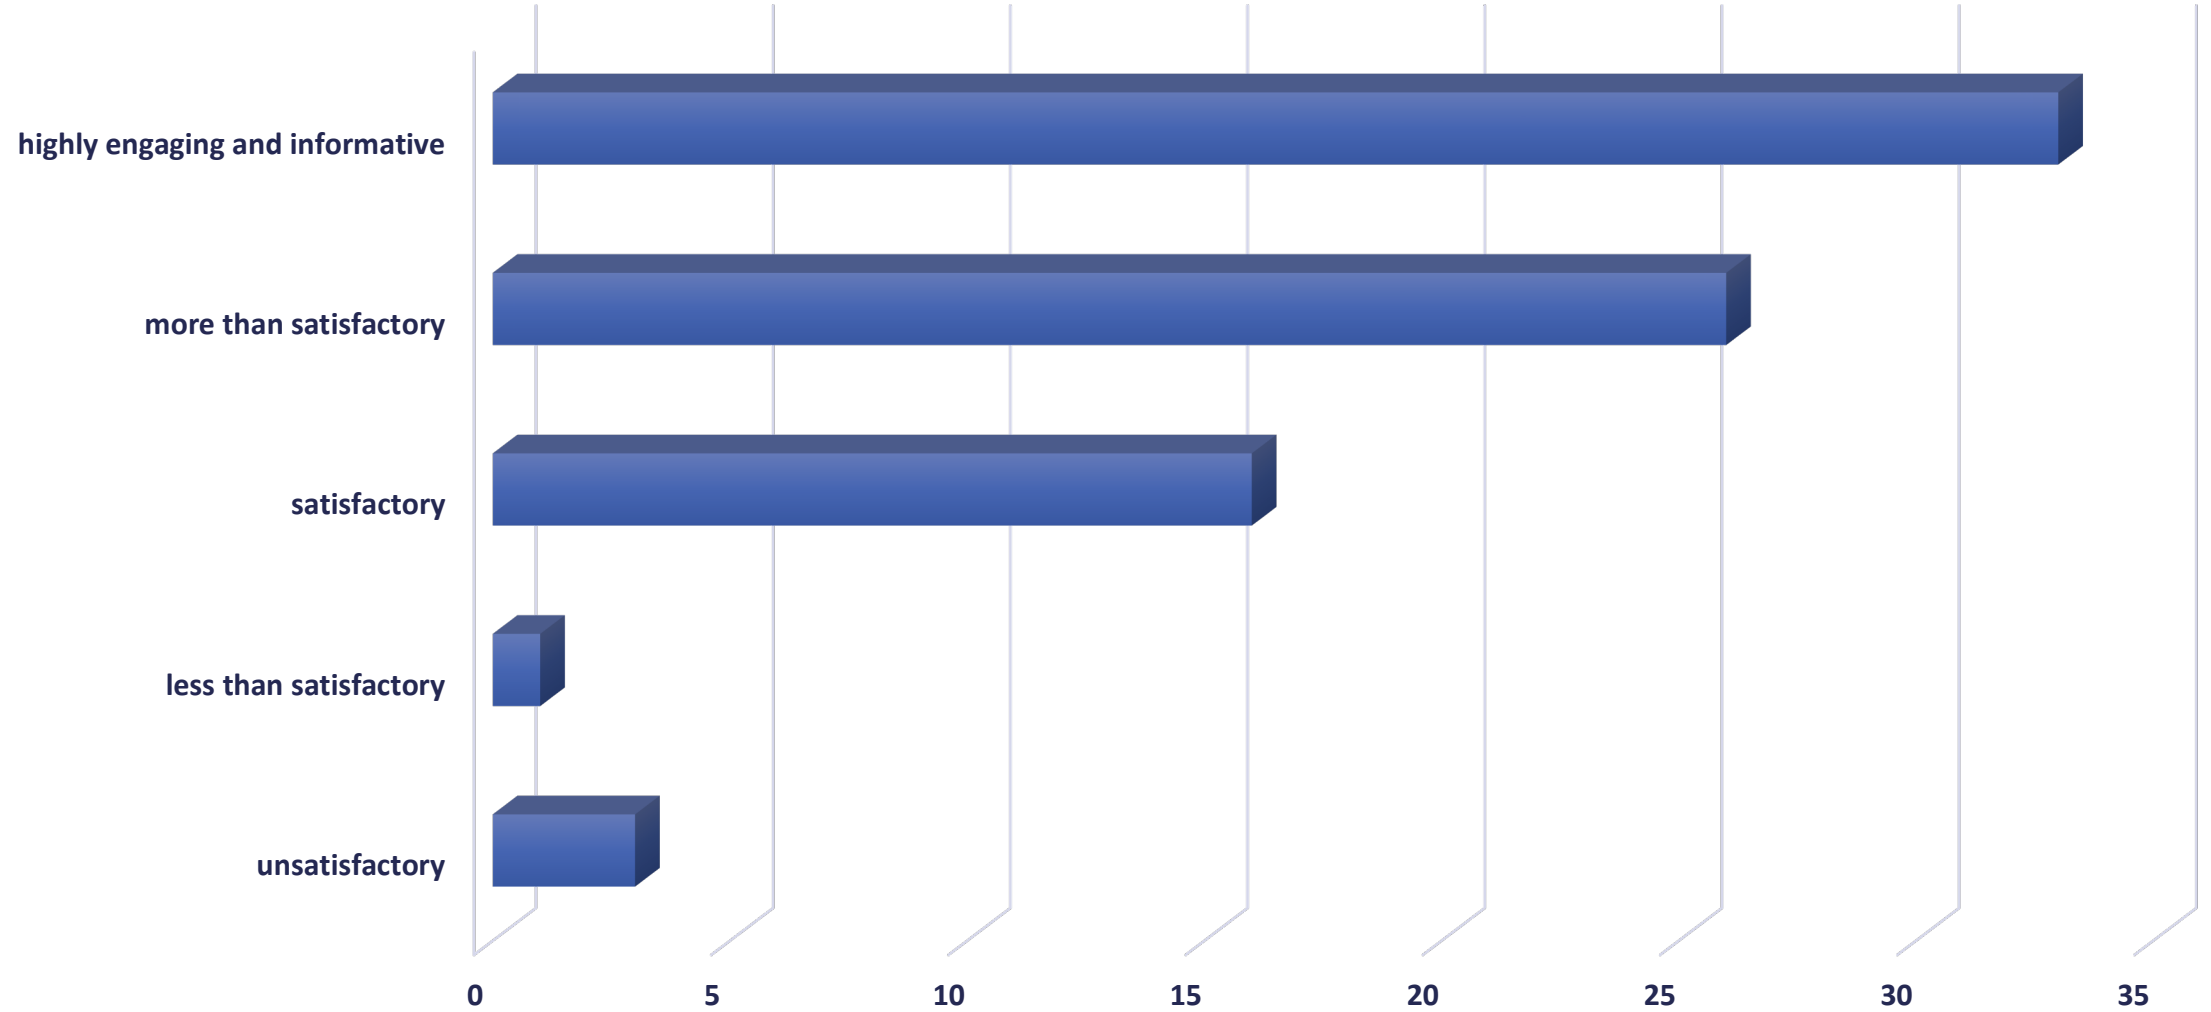

**In order to fully address climate change, I feel that  
Fremont should implement \_\_\_\_\_ (speed of change).**

**After learning more about the CAP update,  
I am feeling \_\_\_\_\_ about our climate action efforts.**

# Today's CAP Workshop was \_\_\_\_\_.
