Dear City Council,

My name is Ryan, and I'm both a teacher in and resident of Fremont. I am greatly disappointed you have not publicly endorsed Prop 15 yet. This prop would help fund schools like mine while also funding other city services. Please publicly endorse Prop 15, thank you.

Good evening Mayor, Councilmembers, and city staff,

My name is Lauren Goldeen and I am a resident of Fremont. I also work in Fremont as a teacher. I am here today to strongly encourage the City Council to support a resolution to vote Yes on Prop 15 in the upcoming election. Prop 15, also known as Schools and Communities First, will bring nearly \$22 million annually to the City of Fremont and nearly \$21 million annually to Fremont Schools. This is money our community desperately needs. This money will help provide jobs and services to the people of Fremont while protecting small businesses and homeowners. I hope to see a resolution of support on next week's agenda and I hope to see each of you voting yes. Thank you!

-Lauren
