Public Participation Guidelines

The city is aiming to reserve the bandwidth for residents who do not have the ability to view the meeting via livestream or on Comcast Channel 27. Therefore, we respectfully request that you do not join the webinar if you do not have any comments to share, or are able to view it online or on Channel 27.

Below are recommendations from the City Clerk's Office to be considered for use by members of the public in meetings conducted via Zoom Webinar.

- **Identification:** Upon entering the webinar, please enter your name, number or other chosen identifier, so that the host can call upon you during the public comment period.
- **Raise Hand (pictured above):** You have the ability to virtually raise your hand for the duration of the webinar, but you will not be acknowledged and your mic will remain muted until you are called on during the public comment period. *Please wait for the Mayor to announce the item(s) you wish to speak on before raising your hand.*
Click ***9** to raise a hand to speak, via phone.
Click **Lower Hand** to lower it if needed.
- **Public Comment Period:** Use "Raise Hand" to be called upon by the host. The host will unmute your mic and you will have the ability to share your comment. Each speaker is allowed up to two (2) minutes, at the discretion of the Mayor. We kindly request speakers to mute or turn down the broadcast, when it is their opportunity to speak, as it may cause interference with the speaker system.
- **Use headphones/mic** for better sound quality and less background noise.
