This is a notice of the City of Fremont's intent to cancel RFP 25-029 for the referenced project.

Due to a State law amended on January 1, 2022, nexus studies are required every eight years. As such, the City of Fremont's next nexus study is not due until 2029. As a result, the City will not proceed with the comprehensive impact fee update at this time, and no further work related to RFP 25-029 will occur.
