Normal commute time will be excluded, i.e., the reasonable travel time to and from the site will be reduced by the employee's normal commute time.

The employee's department will have the option of using a flextime schedule to compensate the employee or pay the employee in accordance with Article 2, Section 5 of the Memorandum of Understanding.

SECTION 14: TUITION REIMBURSEMENT

Normal accrual will continue, except that no hours shall accrue above the one and one-half times (1.5) annual entitlement limit except as provided in paragraph 2 above.

E. LIQUIDATION OF LEAVE

Internal Revenue Service (IRS) regulations require the City to report and withhold taxes on the value of the paid leave an employee is eligible to sell back. In order to ensure compliance with the IRS requirements and to avoid unanticipated tax consequences:

Effective July 1, 2022:

On or by the first pay date in October of each calendar year, eligible employees who want to cash out accrued general leave in the following calendar year shall make an irrevocable election to cash out up to 40 or 60 hours of general leave accrued in the next calendar year, subject to the conditions set forth in the table below. If elected, accrued general leave will be cashed out at the employee’s base rate of pay on the last pay date in the following October.

To be eligible for leave cash-out, an employee must have a combined (old and new) general leave balance of at least 75% of their maximum accruable general leave by the end of the last full pay period in August in the year of the cash-out.

Effective July 1, 1992, upon separation from City Service, the employee shall be compensated in cash for all accrued General Leave hours as follows:

- a. The number of hours equivalent to the General Leave balance on June 30, 1992, will be the maximum number of hours that will be paid at an hourly rate based on the formula described below. If, upon termination of employment, the employee has fewer hours in the General Leave Bank than on June 30, 1992, the lesser number of hours will be paid at the rate based on the following formula:

Monthly base pay plus 41.110% of monthly base pay multiplied by twelve (months in the year) divided by the number of hours in the year (e.g. 2080 hours for 40 hour per week employees).

Hours in excess of this June 30, 1992 balance will be paid at the base salary rate only upon termination. If, upon termination of employment, the employee has fewer hours in the General Leave Bank than on June 30, 1992, the lesser number of hours will be paid at the rate described above in this paragraph.

The City will recognize and approve any expansion of these definitions as required under state or federal law.
- B. Sick leave, either with pay or without pay, shall not be allowed for any absence resulting from illness or injury arising out of and in the course of employment by the City of Fremont. If sick leave is awarded in error, the City shall be entitled to recover the amount of salary paid on account thereof. Such sick leave shall then be restored to the account of the employee upon recovery by the City of the total amount paid.
- C. Accrued time in the sick leave bank shall not be compensated for in any manner except as used for sick leave as provided for in the Personnel Rules.
- D. In establishing the Sick Leave Bank, the City reserves the right to require that the employee furnish a medical doctor’s verification as to the medical necessity of any claimed use of Sick Leave in absences of three or more days.

- A. In the second pay period in June, each qualifying employee shall annually elect whether they want to receive holiday time in biweekly pay (4.0 hours biweekly) or have annual holiday time of 104 hours credited to a holiday bank. The accrual period will begin each November 16 and will run through the following November 15. Holiday Bank hours are posted on the first payday in November. The 104 hours includes 8 hours of floating holiday. The employee’s holiday option shall remain in effect until changed by the employee.

ARTICLE 3 – LEAVES

The holiday bank will be replenished each November for the accrual period of November 16 through the following November 15.

Employees electing biweekly holiday payment who take a holiday off must use comp or vacation time for such holiday, subject to department approval. Employees with a holiday bank who take time off can use holiday time, comp time or vacation time, subject to department approval.

Each employee recognizes that arrangements for taking time off must reflect public need and service responsibilities of the department and that the final decision, with no employee appeal rights regarding the scheduling of such time off as provided by this Article, shall rest with the department.

The department retains the right to determine that certain employees, not needed for service responsibilities, shall take holidays off as they occur.

- B. No carry over into the following calendar year of such holiday time not taken shall be allowed. Any balance of such unused hours shall be compensated for by pay at the straight time hourly rate of the employee. This payment will be paid to the employee in the first payday issued in November each year.
- C. Any employee who separates from City employment and who has elected a Holiday Bank, shall be entitled to the number of holiday hours equal to the number of unused holidays (as listed in Article 3, Section 4) occurring between November 16 (the beginning of the accrual period) and the employee's last day of employment. Any unused holiday bank hours shall be paid at the employee's straight time hourly rate of pay. If the employee has taken more hours of holiday than provided in this section, the employee will be required to repay the City for all hours taken in excess of the number of entitled hours.
- D. Any new employee hired after November 16 (the beginning of the accrual period) and who elects a Holiday Bank shall be credited with the number of holiday time bank hours equivalent to the number of holidays (as listed in Article 3, Section 4) occurring between the employees' first day of employment and the next November 15 (the end of the accrual period).
- E. Any new employee that elects bi-weekly payments will begin receiving the payments during the first full pay period following the employee's first day of employment.
- F. An employee subject to this section who is on leave without pay when a holiday occurs shall either have his/her holiday bank reduced by (8) hours for each holiday or shall not be paid for 4.0 hours holiday time, determined by the employee's election of how holiday time is treated.

SECTION 5: LEAVE WITHOUT PAY

Except as provided in the Family and Medical Leave Act, and the California Family Care Leave Act, an employee may not take leave without pay until all accumulated paid leave time for which the employee is eligible is exhausted, except that an employee may be

granted leave without pay without exhaustion of accumulated paid leave time when recommended by the Department Head and approved by the City Manager or designee.

SECTION 6: JURY DUTY LEAVE

Leave of absence with pay shall be granted to an employee who has been called for jury duty and from which s/he cannot be excused. An employee who serves on jury duty shall be paid his/her regular salary for the period of such duty.

When a shift worker is called to jury duty, the employee's schedule will be adjusted so that the combination of jury duty and work hours do not exceed the employee's normal daily and weekly schedule. Shift worker for the purpose of this paragraph means an employee who does not work eight (8) hours per day from Monday through Friday.

SECTION 7: FAMILY LEAVE ACTS

It is the City's intent to comply fully with the requirements of the California Family Rights Act (CFRA), the federal Family and Medical Leave Act (FMLA), California requirements regarding the Pregnancy Disability Act (pregnancy leave), the City of Fremont Personnel Rules (PR&R) regarding Leave Without Pay (LWOP), and the General Leave (GL) Plan.

SECTION 8: PARENTAL LEAVE

Leaves of absence for pregnancy shall be granted to employees as follows:

A pregnant employee may continue employment as long as her health and the health of the unborn fetus would not be adversely affected by the continued performance of the duties of her position. In conformity with the California Pregnancy Disability Act, the City at any time may require information from a doctor of medicine in making the determination of employment suitability. A pregnant employee may be absent from employment for a collective period of time not to exceed four (4) months during the term of pregnancy and post pregnancy period. The employee may choose to charge any portion of this period to any of her accrued unused paid leave balances. Such absences shall only be granted for medical reasons arising from the pregnancy, the subsequent childbirth, or other termination of the pregnancy.

An adoptive parent may be absent from employment for a collective period of time not to exceed three (3) months and may charge any portion of this period to any accrued unused paid leave balances, except that the use of any accrued sick leave must be limited to six (6) weeks (240 hours).

All absences due to pregnancy, childbirth, or other termination of pregnancy and the ability of the employee to return to work shall be subject to verification by a doctor of medicine. A pregnant employee must advise the City in writing of her intent to take pregnancy leave time off and to return to work.

Employees who comply with the foregoing shall be returned to employment with the City in the same classification with no loss of seniority or benefits accrued, but not used, prior to the commencement of such leave. Such leaves shall be administered consistent with City leave policies.

SECTION 9: PERSONAL LEAVE DONATION

In the event of a medical, personal or family emergency, employees covered under this MOU may donate or receive accrued and/or prospective leave accruals to or from other City of Fremont employees. Donations from employees and used by employees of donated leave time shall be administered through the Personal Emergency Time (PET) Bank, provided as follows:

- A. For purposes of this article, “medical, personal, or family emergency” shall mean circumstances in which an employee needs to take time off from, or reduce, their regular work schedule as the result of the illness or injury of himself or herself or illness or injury of a family member which requires their care. “Family member” shall be defined as: 1) a biological, adopted, or foster child, a step child, a legal ward under 18 years of age, and an adult dependent child over 18 years of age; 2) a biological, foster, or adoptive parent, a stepparent, a legal guardian, or a person who stood in place of a parent to the employee; 3) a spouse as defined or recognized under State law for purposes of marriage in the State of California; or 4) another relative residing in and a member of the same household or a life partner residing in the same household who is not a legal spouse.
- B. Only accrued vacation or general leave and future, unaccrued vacation or general leave may be donated. Neither sick leave nor compensatory leave time may be donated.
- C. The recipient employee will not accrue seniority during any period of donated leave usage.
- D. In order to receive donated time from the PET Bank, an employee must first exhaust all general leave, vacation leave, and sick leave banks, as applicable to the recipient employee.
- E. The point at which an employee may request use of the PET Bank shall be when all applicable leaves have been used down to an aggregate total of forty-five (45) hours and the employee anticipates that he/she will use all existing aggregate hours during the next pay period, because of the need to be absent from work more than forty-five (45) hours.
- F. The recipient employee will be responsible for payment of taxes due on the salary received when the leave is used.
- G. The donating employee cannot donate future leave accruals beyond the extent of accrued leave available at the time of donation.
- H. The donating employee cannot donate accrued leave in excess of their existing vacation or general leave balance.
- I. The City will determine whether or not a leave of absence will be approved for the recipient employee. The Family Medical Leave Act and California Family Rights Act guidelines will generally provide direction for evaluating leave requests.

ARTICLE 3 – LEAVES

- J. Neither the City nor the Bargaining Unit shall discriminate in any way with respect to the donation of accrued leave or future leave accruals based on race, religious creed, political affiliation, color, national origin, ancestry, sex, marital status, age, sexual orientation, medical condition, or physical or mental disability.
- K. In instances when the receiving employee does not use all donated hours, the hours not used will be returned to the donating employee unless the employee has requested otherwise.
- L. At the time of his/her donation, a donating employee may designate a specific recipient to receive donated hours.
- M. Employees in the Bargaining Unit may give or receive hours across bargaining unit lines consistent with reciprocating agreements with other City of Fremont bargaining units.
- N. PET Leave is intended for salary continuation only and shall not be used to pay the employee's benefits.

SECTION 10: ON THE JOB INJURY LEAVE COMPENSATION

- A. The City and the Association agree that as of December 31, 2000, the first paragraph of Personnel Rule Article XII, Section 2.01, titled Disability Leave will no longer apply to employees covered by this agreement, and will be replaced by the following provisions.
- B. A full time, permanent employee who is unable to work as a result of injury or illness determined by the City as arising out of and in the course of his/her employment with the City of Fremont, shall be paid an amount which, together with the Workers' Compensation benefits to which he/she may be entitled, shall equal:
 - 1. His/her regular rate of pay for the first sixty (60) calendar days (or hourly equivalent) of such entitlement to Workers' Compensation benefits; and
 - 2. 80% of his/her regular rate of pay for the sixty-first (61st) through three hundred sixty-fifth (365th) calendar days (or hourly equivalent) of such entitlement to Workers' Compensation benefits.
 - 3. The above entitlement to this compensation will cease when the employee is determined to be "permanent and stationary."
- C. If an employee is precluded from returning to work with the City of Fremont and retires (on either an industrial retirement or a service retirement) from the City of Fremont as a direct result of an on the job injury incurred on or after December 31, 2000; and he/she was paid 80% of his/her regular rate of pay, pursuant to B.2. above, for any period of time for which he/she was unable to work because of the injury/illness causing his/her retirement; then he/she may be eligible for supplemental retiree medical premium reimbursement, in addition to those provided in Article 4, Section 4 of this MOU, pursuant to the following provisions.
 - 1. The City will determine whether or not the employee would have been entitled to a higher monthly basic retirement benefit under the Public Employment Retirement

System (PERS) if he/she had been paid 100% of his/her regular rate of pay, rather than 80% of his/her base pay, for any period of time for which he/she was unable to work because of the injury/illness causing his/her retirement.

2. If, pursuant to C.1. above, the City determines that the employee would otherwise have been entitled to a higher monthly basic retirement benefit, then the City will determine the monthly difference between the amount to which the employee would otherwise have been entitled and the amount he/she is actually eligible for under the PERS at the time of his/her retirement.
3. Using the CalPERS Life Expectancy Tables based on the CalPERS 1993 Experience Tables, as they may be updated from time to time, the City will determine the number of years of remaining life expectancy (i.e. life expectancy – current age) of the employee.
4. The City will then calculate the amount of monthly difference for each year of the remaining life expectancy, increasing each year's amount over the prior year's amount by a percentage equal to the PERS cost of living adjustment (COLA) factor in effect for the City of Fremont miscellaneous retirees at the time of the employee's retirement.
5. The City will then total the monthly difference amounts for each of the years, and divide this total by the number of years of remaining life expectancy. The resulting dollar amount shall be added to the retiree medical premium reimbursement amount for which the employee is eligible pursuant to Article 4, Section 4 of this MOU.

SECTION 11: BEREAVEMENT LEAVE

In the case of a death in the immediate family, an employee may be granted Bereavement Leave with pay for a period of one (1) workweek (as per employee's schedule) falling during the period from the time of death until one day following the day of the funeral. Such Bereavement Leave will not be charged against any general leave or sick leave bank.

The employee's immediate family is defined as wife, husband, child, brother, sister, parent, parent-in-law, grandparents, grandchildren, and grandparents-in-law, except that a relative or life partner residing in the same household may, for the purpose of this section, be considered as a member of the immediate family. A life partner is an individual who is in an established, long-term committed relationship (minimum of six [6] months) with an employee.

ARTICLE 4 – INSURANCE AND BENEFITS

SECTION 1: ALTERNATE BENEFITS AND COMPENSATION PLAN

- A. The City shall secure and make available to all eligible employees, medical insurance, accidental death and personal loss insurance, child care reimbursement, excess medical expense reimbursement, vision care, and effective January 1, 2010 dental benefits under the Alternative Benefits and Compensation Plan (ABC Plan). The ABC Plan is a "cafeteria plan" as defined in Section 125 of the Internal Revenue Code.

- B. Any employee who is working on a modified/part-time work schedule shall have all benefits pro-rated on the basis of the employee's schedule. Modified/part-time work schedule requests may include an abridged work schedule of not less than 20 hours per week.
- C. The City contribution for insurance and other benefit coverage available under the Alternative Benefits and Compensation Plan is known as the Health Benefits Allowance (HBA).
1. Effective January 1, 2025, the Health Benefit Allowance shall increase by \$100.00 for a maximum of \$2,700.00 per month.
 2. Effective the first of the month following CFEA ratification of the tentative agreement, the Health Benefit Allowance shall increase by \$100.00 for a maximum of \$2,800.00 per month.
 3. Effective January 1, 2026, the Health Benefit Allowance shall increase by \$100.00 for a maximum of \$2,900.00 per month.
 4. If during the term of this Memorandum of Understanding, the City grants a larger Health Benefit Allowance increase to another bargaining unit, the same allowance increase shall be granted under this agreement.
- D. In the event premiums and/or costs for the selected benefits exceed the amount of the HBA, the balance will be paid by the employee through automatic pre-tax payroll deductions, as allowed under IRS Code, Section 125.

Money not used for the purchase of medical insurance under the Plan will be paid to the employee in taxable cash up to a maximum of \$580 per month. For example: should the cost of the employees medical insurance be less than the amount of the HBA, the employee shall receive the difference between the amount of the HBA and the cost of the medical insurance. However, at no time shall an employee receive more than \$580 per month in taxable cash under the terms of this provision.

Those employees who waive the medical insurance in accordance with the provisions established by the City, shall be eligible to receive taxable cash in the amount of \$580 per month.

- E. The City's contribution (HBA) as established above shall be the maximum amount required, and the City shall not be responsible for the contribution of any sum in addition to those established by the terms of this MOU.
The coverage, exclusions and limitations of each of the City sponsored plans are those that are in force on July 1, 2000, for the purpose of description of said plans. As provided under the Public Employees Medical and Hospital Care Act (PEMHCA), medical care benefits are provided through the Public Employee's Retirement System Medical plans.
- F. Employees who elect coverage under plans offered by this agreement may also elect

coverage for a domestic partner to the extent permitted by and according to the procedures of each individual plan.

- G. In the event the Federal government implements a nation-wide health care plan that mandates changes to the health and welfare programs described in this Memorandum of Understanding, the City and the Association shall agree to meet and confer in a timely manner to discuss the impact.

SECTION 2: DENTAL BENEFITS

The maximum benefit per patient per calendar year for the Delta Dental Service plan shall be Two Thousand Dollars (\$2000).

Effective January 1, 2010, the Delta Dental Plan provided to the employees may be moved out of the Health Care Employees/Employer Dental Trust provided that the benefits of the plan remain the same as provided prior to January 1, 2010. The premium amount of \$163.08, or the actual amount of the premium, whichever is less, effective January 1, 2010 shall not increase for the term of the MOU.

The City agrees to hold an informational meeting with the City's benefits broker during the term of this MOU (expiring June 30, 2026). Representative(s) from each labor group will be invited and may attend this meeting to receive more information on dental plan offerings, ask questions, and provide feedback. While the City will consider feedback received, unless subject to meet and confer in accordance with MMBA, the final decision on plan design and benefit offerings remains within the City's discretion.

SECTION 3: VISION CARE

A vision care plan will be available for all employees and their eligible dependents. The plan will provide two (2) options for employees and their eligible dependents. Both plans will provide benefits which include a Ten-Dollar (\$10.00) co-pay for eye exams and a Twenty Five Dollar (\$25.00) co-pay for lenses. The standard plan will provide an eye exam every year and lenses and frames every two (2) years and the high plan will provide an eye exam and lenses every year and frames every two (2) years.

SECTION 4: RETIREE MEDICAL BENEFITS

ARTICLE 7 – GRIEVANCE PROCEDURE**SECTION 1: PURPOSE**

The parties recognize that disputes should be resolved expeditiously at the lowest possible administrative level. This grievance procedure is intended to meet this goal and to assure that in presenting a grievance, the grievant and/or his/her representative is assured freedom from restraint, coercion, discrimination or reprisal.

SECTION 2: DEFINITION

A grievance shall be defined as:

Any complaint concerning the interpretation or application of any ordinance, or of rules or regulations of the City or department governing personnel practices or working conditions, or of the practical consequences of a City rights' decision on wages, hours and other terms

and conditions of employment; or

Any complaint arising out of or in any way involving the interpretation or application of any of the provisions of the Master Memorandum of Understanding between CFEA and the City of Fremont.

An appeal from a disciplinary action taken against an employee such as dismissal, demotion, suspension, reduction in salary or transfer.

SECTION 3: EXCLUSIONS

The procedures set forth in this article shall not apply in matters where other methods of appeal have been specifically provided for in State or other applicable law, such as, but not limited to, appeal of workers' compensation claim disposition and appeal of determination of retirement status under PERS.

Written reprimand may be appealed to the City Manager within fourteen (14) calendar days of receipt. The City Manager or designee other than the Department Head involved shall review the circumstances and render a written decision within fourteen (14) calendar days of review. The decision of the City Manager/designee shall be final and conclusive. Employees may request that Letters of Reprimand be removed from their file after three (3) years, provided there is no recurrence of the same or similar incident.

Probationary employees who are rejected during probation shall have no right to appeal such action, except in cases where they allege that the termination was in violation of Title IV of the Civil Rights Act of 1964 or of other applicable State or Federal Law or Statute.

SECTION 4: GENERAL PROVISIONS

Grievances resulting from discipline which have gone through a Skelly meeting or following the decision of an employee not to have a Skelly meeting shall enter the grievance process at Step 3.

If the parties agree, other grievances may be initiated at a level higher than the initial step in the grievance procedure.

Any other dispute resolution mechanism may be substituted for this procedure upon mutual agreement between the parties prior to invoking the arbitration provisions of this article.

Nothing in these procedures shall prevent discussion or meetings between the parties at any time to clarify the facts in order to conclude the matter as promptly as possible.

Time limits prescribed herein may be extended by mutual agreement of the parties. Failure by the employee or Association to follow the time limits, unless so extended, shall nullify the grievance. If the City fails to follow the time limits, unless so extended, the employee may advance the grievance to the next step.

When an employee is asked to appear as a witness during any step of the grievance procedure, he/she shall be compensated at his/her regular rate of pay for actual time spent in such appearance during regularly scheduled working hours.

SECTION 5: PROCEDURE

It is the intent of both parties that disputes be resolved at the lowest level possible in an expeditious manner. When informal discussions do not result in a satisfactory resolution to the issue(s), the following formal procedure shall be utilized. A City of Fremont grievance submission form must be utilized in all grievance filings. Such forms shall be provided to employees by the City.

Step 1. **Formal Submission**. The employee or Association may submit the grievance in writing to the immediate supervisor within thirty (30) calendar days of the date the employee could reasonably be expected to know of the issue(s) giving rise to the grievance. In the event that the immediate supervisor is involved in the conduct or circumstances giving rise to the grievance, Step 1 may be initiated by submitting the grievance to the next most immediate supervisor in the employee's chain of supervision or by submitting the grievance to the Human Resources Director or Designee. The grievance shall state the specific section of the Memorandum of Understanding, or City ordinance or resolution or Personnel Rules alleged to be violated; or, the disciplinary action taken, the nature of the grievance, and the proposed resolution. The supervisor or other responsible recipient of the grievance shall render a decision in writing to the employee and/or Association representative within fourteen (14) calendar days of the formal submission of the grievance. A failure to respond shall be considered a denial of the grievance.

Step 2. **Appeal to Department Head**. Should the grievance remain unresolved, the employee or Association may, within fourteen (14) calendar days after receipt of the supervisor's decision, submit the grievance in writing to the Department Head. The Department Head or his/her designated representative shall respond to the grievance in writing within fourteen (14) calendar days after receipt of the Step 2 grievance. A failure to respond shall be considered a denial of the grievance.

Step 3. **City Manager or Designee - Association Representative**. Should the grievance remain unresolved, the employee or Association representative may, within fourteen (14) calendar days after receipt of the Department Head's response, submit the grievance in writing to the City Manager. The City Manager/Designee shall meet with the Association representative within fourteen (14) calendar days of submission of the grievance at Step 3 in order to attempt to resolve the dispute. The City Manager/Designee shall issue a written decision within fourteen (14) calendar days after the date of the meeting. A failure to respond shall be considered a denial of the grievance.

Step 4. **Arbitration**. Should the grievance not be resolved to the satisfaction of the Association or the City, either party may request arbitration as the final step in the appeal process by notifying the other party of their intent to utilize the services of an arbitrator. Such notice shall be in writing and shall be provided to the other party within fourteen (14) calendar days from the date on which the City Manager/Designee's written notice of decision was received. No employee may elevate a grievance to arbitration without approval of the Association.

The Association and the City agree that the final and binding resolution of any grievance shall be by arbitration. The City Council confers to the City Manager the authority to carry out the decision of the arbitrator.

Selection of Arbitrator: Upon notice of intent to arbitrate, the Association and the City shall meet to select an arbitrator. If unable to mutually agree on the selection of an arbitrator, then a list of seven (7) arbitrators shall be obtained from the State of California Department of Industrial Relations. Nothing in this section will preclude the parties from agreeing to use a list of arbitrators provided from other sources. The parties shall initiate the selection process from the list received by flipping a coin to determine which party starts the strike out process. The parties shall then alternately strike names from the list until only one name remains and that individual shall be the arbitrator.

Decision of the Arbitrator: The decision, opinion, and award of the arbitrator shall be final and binding upon all parties, subject to review only under the provisions of California Code of Civil Procedure Section 1280 et seq. The arbitrator shall not have the power to add to, subtract from, or modify any of the terms of this Memorandum of Understanding and shall not have jurisdiction to make any award which would not have been authorized under applicable authority in the absence of this agreement to arbitrate, except by the joint prior authorization of the parties hereto.

Costs of Arbitration: The Association and the City agree to share equally all costs of the arbitrator and to be responsible for their own respective costs of making their presentation to the arbitrator. If by mutual agreement or requirement of the arbitrator, services of a court reporter are utilized, the parties agree to equally share the cost of such services.

Arbitrability: If the question of arbitrability of an issue is raised by either the Association or the City, such questions shall be determined in the first instance by the arbitrator who shall upon request of any party, make his/her determination prior to hearing the merits of the case.

SUBSTANCE ABUSE POLICY

APPENDIX B

**CITY OF FREMONT
SUBSTANCE ABUSE POLICY
MAINTENANCE & RECREATION DEPARTMENT
MAY 1999**

A. PURPOSE/OBJECTIVE

1. To provide assistance to employees to overcome drug and alcohol abuse problems by actively supporting and encouraging rehabilitation in identified substance abuse cases.
2. To ensure an environment in which all parties work together, free from the effects of drug or alcohol misuse.
3. To establish policies and procedures for addressing possible substance abuse situations with the intent of pursuing rehabilitation where appropriate and preventing accidents and injuries resulting from the misuse of alcohol or drugs.
4. To outline the consequences when violations of the policy occur.

B. POLICY

The parties support the concept of Rehabilitation and, with the assistance of the unions and trained substance abuse professionals, will encourage and assist employees to pursue rehabilitation as discussed in this policy. It is the intent of all the parties to eliminate drug and alcohol abuse and its effects from the work place. The City has no intention of intruding into the private lives of its employees while meeting its obligation to ensure that employees are in condition to perform their duties safely and efficiently. The presence of drugs and/or alcohol on the job, and the influence of these substances on employees during the work shift, including the consumption of alcohol and/or drugs during the lunch break, is inconsistent with a drug free work environment. The substance abuse principles discussed in this regulation are intended to assist the parties in achieving the stated objective.

C. EMPLOYEES AFFECTED

All employees in the Maintenance and Recreation Department are covered by this policy. Employees may not be under the influence or in possession of controlled substances or alcohol during working hours. Additionally, employees required to have a Commercial Driver's License issued by the State of California, Department of Motor Vehicles, are covered by the DOT regulations outlines in the Agreement between OE3 and the City of Fremont dated June 18, 1998.

D. DEFINITIONS

For these administrative guidelines, the following terms shall have the meaning shown:

MARS Drug & Alcohol Policy
May 1999 Page 2**DEFINITIONS (continued)**

1. **Employee** shall mean any person employed by the City and working in the Maintenance and Recreation Department.
2. **Reasonable suspicion** shall mean a belief that an employee has violated the alcohol or drug prohibition based on specific, contemporaneous, observations by a trained supervisor or other City official concerning the appearance, behavior, speech or body odors of the employee. Reasonable efforts will be made to have an additional trained supervisor corroborate the observations of suspected substance abuse.
3. **Alcohol** shall mean the intoxicating agent in beverage alcohol, either alcohol or other low molecular weight alcohol including methyl and isopropyl alcohol, including any medication containing alcohol.
4. **Drugs** shall mean those which contain marijuana, cocaine, opiates, phencyclidine (PCP), and amphetamines.

E. PROHIBITION

The following conduct is prohibited and may result in discipline, up to and including termination of employment:

1. Reporting to duty or remaining on duty while having an alcohol concentration of 0.02 or greater.
2. Performing employment duties within four (4) hours of using alcohol.
3. Being on duty or operating a City vehicle or equipment while possessing alcohol or having an open container of alcohol in the employee's personal vehicle while it is used for City business.
4. Consuming alcohol while on duty or during the work shift, including the lunch break.
5. Reporting for duty or remaining on duty when the employee has used any drug, except if the use is pursuant to the instructions of a Physician who has advised the employee that the substance does not adversely affect the employee's ability to work safely.
6. Use of a prescribed drug in excess of the recommended dosage, which affects ability to function.
7. Not reporting to the appropriate supervisor when a prescription has been provided by a medical doctor or licensed dentist which restricts the use of equipment or operation of a motor vehicle.

**MARS Drug & Alcohol Policy
May 1999 Page 3****F. VOLUNTARY EMPLOYEE DISCLOSURE**

Employees are encouraged to acknowledge problems with drugs and/or alcohol and to actively pursue rehabilitation to resolve those problems. In the event an employee voluntarily acknowledges such problem prior to any intervention on the part of the City, and the employee seeks assistance in arranging a program of rehabilitation, the City will provide assistance to the employee in obtaining appropriate assessment and treatment (the City is not required to pay for treatment). Such assistance shall be provided in a confidential manner and the employee shall not be subject to any disciplinary action by the City based upon the employee's disclosure.

G. FITNESS FOR DUTY EVALUATIONS

Employees are required to report to a city-designated physician for purposes of fitness evaluation when a trained supervisor has reason to believe the employee is under the influence of alcohol or drugs. A fitness evaluation is defined as a medical assessment by a City-selected Physician. The supervisor's observation must be based on short-term indicators, such as blurry eyes, slurring, unsteady gait, irrational behavior, or alcohol on the breath. The supervisor may not rely on long-term signs, such as absenteeism or tardiness, to support the need for a reasonable suspicion test.

The fitness for duty evaluation will be conducted by a licensed Physician within a reasonable period (two hours) of the referral. If not, the employer must provide written documentation as to why the evaluation was not promptly conducted. No evaluation may be administered after eight hours following the observation.

To ensure that supervisors are trained to make appropriate referrals, supervisors vested with the authority to make fitness for duty referrals will attend at least one hour of training on alcohol misuse and at least one hour of training on drug use. The training will cover the physical, behavioral, speech, and performance indicators of probable alcohol misuse and use of drugs. Whenever possible, observations will be supported by additional witness(es).

A refusal to submit to a fitness evaluation referral required by this policy and as prescribed by a Physician, can result in discipline up to and including termination of employment.

In the event the Physician suspects the employee is under the influence of drugs or alcohol, the employee will be offered the option to take a drug or alcohol test. The employee may decline such test. In the event the employee declines to test, the employer may, based on observation and conclusions of the supervisor and physician, proceed with the proposed discipline up to and including termination of employment.

**MARS Drug & Alcohol Policy
May 1999 Page 4****CONSEQUENCES FOR EMPLOYEES FOUND TO HAVE ALCOHOL
CONCENTRATION LEVELS OF 0.02 OR GREATER BUT LESS THAN 0.04**

An employee whose alcohol test indicates an alcohol concentration greater than 0.02 will be removed from his or her position without pay for at least eight hours. The City will then retest the employee before the employee may be returned to his/her position; the employee's alcohol concentration must indicate a concentration below 0.02.

Discipline related to an employee having an alcohol concentration level between 0.02 and 0.04 shall consist of the following:

- **1st positive test in 12-month period – written warning**
- **2nd positive test in a 12-month period – rehabilitation, plus unpaid suspension until return to work requirements are met**
- **3rd positive test in a 12-month period – termination of employment**

**H. CIRCUMSTANCES UNDER WHICH DRUG AND ALCOHOL TESTING WILL BE
IMPOSED ON EMPLOYEES****1. Pre-Employment Testing:**

All applicants for classifications covered by these regulations will be required to submit to pre-employment drug and alcohol testing. Applicants will not be assigned to a position if they do not pass the tests.

2. Post-Accident Testing:

Post-accident drug and alcohol testing will be conducted on employees following an accident where the employee's performance cannot be discounted as a contributing factor. Not only will the operator of the vehicle be tested, but so will any other employee whose performance may have contributed to the accident.

The decision as to whether or not to test the employee involved in an incident where no police report is filed will be left to the discretion of a trained supervisory or management employee. The decision as to whether or not to test the employee involved in an incident where a Peace Officer is on scene will be left to the discretion of the Peace Officer. An employee may not be tested following an accident if the supervisory determines that the employee's performance could not have been a contributing factor. If a fatality occurs, the employee will be tested irrespective of whether his or her involvement may be discounted.

Post-accident alcohol tests shall be administered within two hours following an accident and no test may be administered after eight hours. A post-accident drug test shall be conducted within 32 hours following the accident. If the employee is injured and is unable to give a breath test or a urine sample, a blood test will be conducted.

MARS Drug & Alcohol Policy

May 1999 Page 5**I. CONSEQUENCES OF FAILING AN ALCOHOL AND/OR DRUG TEST**

The parties acknowledge their mutual support of rehabilitation for substance abuse issues. In the event an employee fails a drug and/or alcohol test, the following applies:

1. **First Positive Test:** The employee will obtain an assessment by a Substance Abuse Professional (SAP). The employee will participate in a Rehabilitation Program prescribed by the SAP (the City is not required to pay for this treatment), and will enter into a Return to Work Agreement.
2. **Second Positive Test:** Will result in termination, unless the employee volunteered the condition prior to notification of required testing.
3. **Relapse:** When an employee volunteers information about relapse prior to being notified of testing, the City will consult with the employee, Union, and Substance Abuse Professional (SAP) before determining the level of discipline. However, failure to complete rehabilitation and/or aftercare will result in termination. The frequency and duration of follow-up and unannounced testing will be based on discussion and agreement between the Union, City, employee and SAP.
4. **Return to Work After a Positive Test:** The parties agree an employee shall not be returned to work after a positive drug and/or alcohol test without the following:
 - a) A test indicating an alcohol concentration of less than 0.02 or a verified negative result on a drug test;
 - b) A release from a SAP;
 - c) A Return to Work Agreement outlining the frequency and timeframe for unannounced follow-up testing and conditions of rehabilitation and aftercare.

J. PROCEDURES TO BE USED FOR DETECTION OF DRUGS AND ALCOHOL**1. Alcohol Testing:**

Alcohol testing will be conducted by using an evidential breath testing device (EBT) approved by the National Highway Traffic Safety Administration.

A screening test will be conducted first. If the result is an alcohol concentration level of less than 0.02, the test is considered a negative test. If the alcohol concentration level is 0.02 or more, a second confirmation test will be conducted.

2. Drug Testing:

- a. The urine specimen will be split into two bottles labeled as "primary" and "split" specimen. Both bottles will be sent to the lab.

APPENDIX B

Drug Testing (continued)

- b. If the urinalysis of the primary specimen tests positive for the presence of illegal, controlled substances, the employee has 72 hours to request that the split specimen be analyzed by a different certified lab. The employee shall be responsible for all costs related to any split-sampling testing.
- c. The urine sample will be tested for the following: Marijuana, cocaine, opiates, amphetamines, and phencyclidine.
- d. If the test is positive for one or more of the drugs, a confirmation test will be performed using gas chromatography/mass spectrometry analysis.
- e. All drug test results will be reviewed and interpreted by a Physician before they are reported to the employee and City.
- f. With all positive drug tests, the Physician (a.k.a. Medical Review Officer) will first contact the employee to determine if there is an alternative medical explanation for the positive test result. If documentation is provided and the MRO determines that there was a legitimate medical use for the prohibited drug, the test result will be reported to the City as "negative."

SECTION 1: Term

This Letter of Agreement shall become effective on its adoption. It shall remain in effect for the term of the Memorandum of Understanding between the City and FACE.

SECTION 2: Article 1, Section 2, Recognition, shall be modified to read as follows:

...The City also recognizes the Union as the exclusive representative for temporary and defined term Building Inspectors....

COUNSELOR AND CASE MANAGER MODIFIED WORK SCHEDULE

APPENDIX B

Human Resources Department
3300 Capitol Avenue, Building B, P.O. Box 5006, Fremont, CA 94537-5006
www.fremont.gov

December 6, 2011 FACE Counselor and Case Manager Notes
Create a side letter with FACE to allow 2 Counselors and 2 Case Managers to work a modified work schedule as follows:

- Follow an annual work schedule similar to the Fremont school district. Begin work in late August and end work in late June.
Employees would be paid on an hour for hour basis for hours worked.
It is expected that employees will work 44 weeks a year, following the school schedule, totaling 1760 hours a year.
Compared to a full time regular schedule, 1760 hours annually equals 84.6% of a regular schedule.
Holidays would be paid on a prorated basis of 84.6% or 6.77 hours for each holiday.
Paid Time Off (PTO) accruals would accrue during the weeks the employee works. The effect would be an annual accrual of 162.4 annual PTO hours or 7.38 hours per pay period and employees may accrue up to a maximum 84.6% of the annual FACE accrual.
Employees would be encouraged to use 120 hours of their accrued Paid Time Off to cover the following school breaks:

Two weeks in the winter or 80 hours
One week in the spring or 40 hours

The remaining 42.4 hours must be taken during the school year with prior written approval from the department Manager.

- To avoid benefit coverage lapses, allow benefits to accrue all year at a rate of 84.6%. That means following the 2011-2013 MOU the monthly HBA would be \$1287.57 and the monthly allowed ABC cash would be \$490.68.
