4. Public Comment on Non-agendized Matters	Ganesh Balamitran (Parent at Irvington High School)	The City Manager seems to have appointed a new Police Chief for Fremont without input from the Public or from our elected representatives. Is that the norm ? For such an important and visible position, there should be input from the public and elected council members. Is there a forum for such inputs ?
6. Status on School Reopening	Ganesh Balamitran (Parent at Irvington High School)	Will SROs be back on High School campus starting Apr 19th if the secondary Hybrid model is approved, or will they be back later ? Will the school district start payments for SROs starting the day the Secondary Hybrid model starts ?
